

# HANDGUN STAINLESS PRO CARBIDE SIZING DIES - 40 S&W, 10MM

## STAINLESS PRO CARBIDE SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

Tungsten carbide sizing dies were pioneered by Lyman, now we have made them even better. Our new Pro Carbide die bodies are made of stainless steel which is noted for its toughness and anti-corrosion qualities. No more rusted dies! Our sizing dies are equipped with highly polished carbide rings for the ultimate in wear resistance and reduced sizing force. The carbide rings have a generous radius on the mouth to allow cases to easily align on progressive presses. Rifle dies also include our super slick carbide expander buttons to reduce case stretch. In addition, the sizing dies are equipped with a spring-loaded decapping rod system to ensure that the primer is force- fully ejected from the primer pocket every time.

### Attributes

- Name: [40 S&W, 10MM STAINLESS PRO CARBIDE SIZING DIE](#)
- Manufacturer: [LYMAN](#)
- Product no.: 539000241
- Mfr. No.: 7704234
- Cartridge: 40 S&W, 10 mm Auto
- Die Style: Sizing Dies

# Safety Instruction Guide for HANDGUN STAINLESS PRO CARBIDE SIZING DIES 40 S&W, 10MM STAINLESS PRO CARBIDE SIZING DIE

## Introduction

Thank you for choosing the HANDGUN STAINLESS PRO CARBIDE SIZING DIES. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read through this document carefully before using the sizing dies.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the sizing dies.
- Keep the dies out of reach of children and unauthorized users.
- Inspect the dies for any signs of damage or wear before each use. Do not use damaged dies.
- Store the dies in a dry and secure location to prevent corrosion and unauthorized access.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from sharp edges or moving parts.
- Risk of eye injury from debris or particles during operation.
- Risk of hand injury from improper handling.

- **Avoiding Hazards:**

- Always handle dies carefully and avoid direct contact with sharp edges.
- Ensure that your workspace is clear of clutter and obstacles.
- Use appropriate tools and techniques when installing and using the dies.
- Do not attempt to modify or alter the dies in any way.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals aged 18 and older. Ensure that all users are trained in safe handling practices.

## Instructions for Installation and Usage

- **Installation:**

- Ensure that the reloading press is securely mounted and stable.
- Carefully follow the manufacturer's instructions for installing the sizing dies into the press.
- Tighten the dies securely to prevent movement during operation.

- **Usage:**

- Before starting, ensure that all required materials and tools are at hand.
- Load the cases into the press according to the manufacturer's guidelines.
- Operate the press smoothly and steadily to avoid sudden movements.

- Monitor the operation closely for any signs of malfunction or unusual noise.

## **Disposal Instructions**

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not throw dies in regular trash. Check with local waste management authorities for proper disposal methods.
- Recycle materials where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries, concerns, or reports regarding product safety, please refer to the manufacturer's contact details as provided in the product packaging or documentation. You may also check the EU Safety Gate platform for updates on recalls or safety notices related to this product.

By following these guidelines, you can help ensure a safe and effective experience with your HANDGUN STAINLESS PRO CARBIDE SIZING DIES. Always prioritize safety and adhere to best practices when using this product.
