# RIFLE TARGET FRONT SIGHT 17 AHB Safety Instruction Guide

## Introduction

Thank you for choosing the RIFLE TARGET FRONT SIGHT 17 AHB by LYMAN. This guide provides important safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's recommendations.
- Keep the front sight and all its components out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage before each use.
- If you notice any defects or if the front sight does not function properly, discontinue use immediately and seek assistance.
- Use the product only for its intended purpose to avoid accidents or injuries.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the sight is securely installed before using the firearm.
- Do not use the front sight if any components are missing or damaged.
- Avoid adjusting the sight while the firearm is loaded.
- Always treat firearms as if they are loaded, and follow all firearm safety rules.
- Use caution when handling the front sight and inserts to avoid injury from sharp edges.
- Ensure that the area is clear of bystanders when adjusting or using the sight.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing front sight from your firearm if applicable.
- Ensure the dovetail base of the front sight is clean and free from debris.
- Align the dovetail base of the sight with the standard dovetail on your firearm.
- Gently tap the sight into place using a nonmarring tool to avoid damage.
- Secure the sight by tightening the threaded cap to lock the insert in place.

### 2. Using the Sight:

- Select the appropriate sight insert from the provided set based on your shooting requirements.
- Insert the chosen sight insert into the front sight and secure it with the threaded cap.
- Adjust the sight as needed for your specific shooting conditions and preferences.
- Always check the alignment and stability of the sight before each shooting session.

### 3. Height Measurement:

- The height of the sight is measured from the bottom of the dovetail to the center of the aperture.
- Ensure that the height is suitable for your specific firearm and shooting style.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling center or facility.
- Ensure that all components are disposed of properly to prevent environmental harm.
