General Safety Guidelines

- Always handle your firearm and its components with care and respect.
- Ensure that you are familiar with the operation of your firearm before installing or using the sight.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Regularly inspect the sight for damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearms and their components.
- Store the sight in a secure location when not in use.

Specific Safety Precautions for Use

- Ensure that the sight is securely mounted before use to prevent it from becoming loose during operation.
- Make adjustments to the sight only when the firearm is pointed in a safe direction and the safety is engaged.
- Use only the recommended apertures provided with the sight to ensure proper functionality.
- Do not attempt to modify or repair the sight; seek professional assistance if needed.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare the Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction.
