WINCHESTER 66A MODEL 66A LYMAN ADJUSTABLE TANG SIGHT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the WINCHESTER 66A MODEL 66A LYMAN Adjustable Tang Sight. This guide provides important safety instructions and guidelines for proper use and maintenance of your product. Please read this document carefully to ensure safe operation and to maximize the performance of your sight.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use when handled and installed according to the instructions. Ensure you are familiar with the product before use.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Ensure you have the latest information.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements to ensure you received a certified product.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point for assistance.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Installation:** Ensure the sight is installed securely to prevent it from becoming loose or detached during use.
- **Usage:** Always handle the product with care. Avoid dropping or applying excessive force.
- **Adjustment:** Make adjustments to the sight only when the firearm is unloaded and pointed in a safe direction.
- **Maintenance:** Regularly inspect the sight for wear or damage. Replace any worn parts immediately.
- **Environment:** Avoid using the sight in extreme weather conditions, which may affect its performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Locate the mounting area on the receiver of your firearm.
- Align the sight with the mounting holes.
- Secure the sight using the provided screws, ensuring it is tightly fastened.
- Check for stability before use.

2. Usage:

- Adjust the elevation and windage using the audibleclick adjustments. Each click represents a $\frac{1}{4}$ " minute adjustment.
- Use the elevation slide marked with 3minute increments to set your desired elevation.
- The elevation stop screw allows for quick return to zero. Familiarize yourself with this feature for efficient use.
- Always ensure the firearm is in a safe position before making any adjustments.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities or waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the WINCHESTER 66A MODEL 66A LYMAN Adjustable Tang Sight, please refer to the contact information provided by the retailer or manufacturer. Ensure you have your product details ready for efficient assistance.

Thank you for following these safety instructions. Enjoy using your WINCHESTER 66A Adjustable Tang Sight responsibly.
