MARLIN 336 MODEL 66 LA LYMAN MARLIN 336 ADJUSTABLE TANG SIGHT MODEL 66 LA BLACK Safety Instruction Guide

Introduction

Thank you for choosing the MARLIN 336 MODEL 66 LA LYMAN Adjustable Tang Sight. This guide provides essential safety information and instructions to ensure the safe and effective use of your new sight. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the sight is installed correctly according to the instructions provided.
- Always handle firearms and accessories with care, following all relevant safety practices.
- Keep the sight and any firearms stored securely and out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates and safety information through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Only use the sight with the compatible Marlin 336 model.
- Do not make adjustments to the sight while aiming or during operation.
- Ensure that the firearm is unloaded before installing or adjusting the sight.
- Use caution when making elevation and windage adjustments to avoid potential misalignment.
- If you experience any difficulties or uncertainties during installation or use, consult a qualified professional.

Instructions for Installation and Usage

Installation

1. Unpack the Sight:

- Carefully remove the sight from its packaging.
- Ensure that all components are included: two apertures ($\frac{1}{2}$ " x .093" and $\frac{5}{8}$ " x .040").

2. Preparation:

- Ensure your firearm is unloaded and in a safe condition.
- Gather necessary tools for installation (if required).

3. Mounting the Sight:

- Align the sight with the receiver of the Marlin 336.
- Secure the sight using the provided mounting hardware.
- Ensure that the sight hugs the receiver to minimize protrusion.

4. Adjustments:

- Make elevation adjustments using the audibleclick feature.
- Use the elevation stop screw for quick return to zero.
- Adjust windage as needed for optimal accuracy.

Usage

- **Aiming:**

- Position your firearm securely and take aim with the sight aligned properly.
- Make any necessary adjustments to ensure precision.

- **Maintenance:**

- Regularly clean the sight to maintain clarity and function.
- Inspect the sight before each use for any signs of damage or misalignment.

Disposal Instructions

- Dispose of the sight and its components in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MARLIN 336 MODEL 66 LA LYMAN Adjustable Tang Sight, please refer to the manufacturer's contact information provided with your product or visit their official website for support resources.

By following these guidelines, you can ensure a safe and enjoyable experience with your MARLIN 336 MODEL 66 LA LYMAN Adjustable Tang Sight. Thank you for your attention to safety!
