Introduction

Thank you for choosing the RIFLE TARGET 20 MJT FRONT SIGHT LYMAN. This product is designed for use with universal rifles and provides a reliable and adjustable sighting option. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this document.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's specifications.
- Always handle firearms safely and responsibly.
- Store this product in a secure location away from children and unauthorized users.
- Regularly inspect the sight for wear and tear, and replace if necessary.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the front sight if it appears damaged or defective.
- Ensure that the rifle is unloaded before installing or adjusting the sight.
- Always wear appropriate eye protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use only the recommended inserts with this front sight to avoid malfunction.
- Keep hands and fingers clear of the sighting mechanism during adjustments.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded.
- Locate the dovetail slot on your rifle where the sight will be installed.
- Slide the front sight into the dovetail slot until it is securely in place.
- Adjust the sight to the desired position, ensuring it is level and aligned with the rifle barrel.

2. Adjustment:

- Use the included posts and aperture inserts to customize your sighting experience.
- To change inserts, carefully remove the existing insert and replace it with the desired one.
- Ensure all components are securely tightened after adjustments.

3. Usage:

- Before each use, doublecheck that the sight is securely attached and that all adjustments are properly set.
- Practice safe shooting habits and ensure that you are familiar with your rifle's operation.
- Regularly clean and maintain the sight to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Consider recycling options for metal components when applicable.
