TWO CHERRIES CHISEL BROWNELLS 8MM CURVED GOUGE Safety Instruction Guide

Introduction

Thank you for choosing the TWO CHERRIES CHISEL BROWNELLS 8MM CURVED GOUGE. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your chisel. Please read this document carefully to understand how to use the product safely and responsibly.

General Safety Guidelines

- Always inspect the chisel before use. Check for any signs of damage or wear.
- Keep the chisel out of reach of children and vulnerable individuals.
- Use the chisel only for its intended purpose, which is wood carving.
- Ensure your work area is clean and free from hazards.
- Wear appropriate personal protective equipment, such as safety glasses and gloves, to protect against flying debris and accidental cuts.
- Be aware of your surroundings while using the chisel to avoid accidents.

Specific Safety Precautions for Use

- **Hardened Steel Caution:** The chisel is made from hardened German steel, which is very sharp. Handle with care to avoid cuts.
- **Hornbeam Handle:** The chisel features a hornbeam handle designed to prevent splitting. However, avoid excessive force that could damage the handle.
- **Final Honing:** The chisel requires final honing before use. Ensure this is done properly to maintain sharpness and effectiveness.
- **Cutting Direction:** Always cut away from your body and keep hands and fingers clear of the cutting path.
- **Stable Work Surface:** Use the chisel on a stable surface to prevent slipping and ensure accurate cuts.

Instructions for Installation and Usage

1. Preparation:

- Ensure your work surface is stable and clean.
- Gather all necessary tools and safety equipment.

2. Final Honing:

- Use a sharpening stone or honing guide to sharpen the chisel edge if necessary.
- Follow the manufacturer's instructions for honing to achieve the best results.

3. Using the Chisel:

- Hold the chisel firmly by the handle with one hand.
- With your other hand, guide the chisel along the wood surface, applying even pressure.
- Start with light cuts and gradually increase pressure as needed.
- Always maintain control of the chisel to avoid slips.

4. Cleaning After Use:

- Wipe the chisel clean with a dry cloth after use to remove any wood residue.

- Store the chisel in a safe place, preferably in a protective case or sheath.

Disposal Instructions

- Dispose of the chisel responsibly. If it becomes unusable, ensure it is disposed of in accordance with local regulations.
- Do not throw the chisel in regular waste; consider recycling options or taking it to a designated disposal site.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TWO CHERRIES CHISEL BROWNELLS 8MM CURVED GOUGE, please refer to the manufacturer's contact information provided with the product packaging or on their official website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience while using the TWO CHERRIES CHISEL BROWNELLS 8MM CURVED GOUGE. Always prioritize safety and take the necessary precautions to protect yourself and others while using this tool. Thank you for your attention to these important guidelines.
