

# MIL SPEC GUN CLEANING PATCHES - BROWNELLS MIL-SPEC COTTON PATCHES, 2.5" SQUARE, .30 CAL, 1,000 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

## From The Same Supplier Uncle Sam Uses

100% cotton, single-nap, unbleached flannel patches made to get guns clean efficiently. The coarse, open weave side grabs and holds bore fouling and doubles as a "scrubber" for tough surface dirt. Soft, napped side holds and distributes solvents and oils.

# MIL SPEC GUN CLEANING PATCHES SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the MIL SPEC GUN CLEANING PATCHES. These highquality cotton patches are designed to help you clean your firearms effectively. To ensure safe and proper use, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Product Safety: Always use the product as intended. Do not use for any purpose other than cleaning firearms.
- Enhanced Recalls: Stay informed about any product recalls. Check the EU's Safety Gate platform for updates.
- Online Shopping: When purchasing online, ensure that the seller complies with EU safety requirements.
- Special Consumer Focus: Keep the product out of reach of children and vulnerable individuals.
- EU Contact Point: For safety inquiries, ensure you have access to an EUbased contact.
- Rapid Alerts: Monitor the Safety Gate system for timely updates on product safety.

## Specific Safety Precautions for Use

- Always read the instructions before using the cleaning patches.
- Ensure that the firearm is unloaded before cleaning.
- Use the patches in a wellventilated area to avoid inhaling fumes from solvents and oils.
- Avoid contact with eyes and skin. If contact occurs, rinse immediately with water.
- Do not use the patches with flammable solvents or oils near open flames.
- Dispose of used patches in accordance with local regulations for hazardous waste.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather your cleaning supplies, including the MIL SPEC GUN CLEANING PATCHES, cleaning solvent, and a cleaning rod.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Using the Patches:

- Take one patch from the bag.
- Apply a small amount of cleaning solvent to the patch.
- Insert the patch onto the cleaning rod and gently push it into the bore of the firearm.
- Rotate the rod to effectively clean the interior surfaces.
- Use the coarse side of the patch for scrubbing and the soft side for applying solvents.

### 3. PostCleaning:

- After cleaning, inspect the firearm to ensure no patches or debris remain inside.
- Store the patches in a cool, dry place, away from direct sunlight and heat sources.

## **Disposal Instructions**

- Dispose of used patches according to local regulations regarding hazardous waste.
- Do not throw used patches in regular trash if they have been contaminated with solvents or oils.
- Always check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the contact information provided by the retailer or manufacturer. It is important to have access to support for safety inquiries and product information.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your MIL SPEC GUN CLEANING PATCHES. Thank you for your attention to safety.
