## Introduction

Thank you for choosing the Brownells Safety Installation Woodruff Cutter. This product is designed to help you correctly modify military safety shrouds to accept two-position safeties from Wisner's Inc. Please read this safety instruction guide carefully to ensure safe and effective use of the tool.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure the product is suitable for your specific needs and applications.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the tool for any damage or wear before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Be aware of your surroundings and ensure a safe working environment.
- Follow all local regulations and guidelines regarding tool usage and safety.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Sharp edges may cause cuts or lacerations.
- Highspeed operation can lead to projectiles if the tool is not used correctly.
- Improper installation can result in tool malfunction or injury.

### • Avoiding Hazards:

- Always secure the workpiece properly before cutting.
- Do not wear loose clothing or jewelry that may get caught in the tool.
- Ensure that all safety guards are in place during operation.
- Never attempt to modify the tool or use it for unintended purposes.
- Do not operate the tool if you are tired or under the influence of drugs or alcohol.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials and tools.
- Ensure a clean and organized workspace.

### 2. Installation:

- Attach the Woodruff Cutter to a compatible arbor, ensuring a secure fit.
- Verify that the shank is properly seated in the arbor slotting saw.

### 3. Usage:

- Power on the cutting tool only when you are ready to begin.
- Gradually introduce the Woodruff Cutter to the workpiece, allowing the tool to do the cutting.
- Maintain a steady hand and avoid excessive force during operation.
- Monitor the cutting process and adjust as necessary to prevent binding or stalling.

#### 4. PostUsage:

- Turn off the tool and disconnect from the power source after use.
- Clean the tool and workspace to remove any debris or sharp materials.
- Store the tool in a safe and dry location, away from children.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal and plastic components where available.

## Contact Information for Further Support

For any inquiries regarding safety or usage of the Brownells Safety Installation Woodruff Cutter, please reach out to the designated EU contact point for assistance.

## Conclusion

By following this safety instruction guide, you can ensure a safe and efficient experience when using the Brownells Safety Installation Woodruff Cutter. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
