

# 1911 SERRATED MAINSPRING HOUSING - JOHN MASEN SS/AR GM MAINSPRING HOUSING

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

## Solid Steel, Serrated, OEM-Style Replacement Housings

An exact reproduction of the original factory mainspring housing, complete with vertical serrations that help improve grip but won't grab clothing. Finish-machined from a solid-steel casting; excellent for restoring or building any 1911.

# Safety Instruction Guide for 1911 Serrated Mainspring Housing

## Introduction

Thank you for choosing the 1911 Serrated Mainspring Housing by John Masen. This product is designed to enhance the functionality and appearance of your 1911 firearm. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all safety protocols.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the mainspring housing for signs of wear or damage.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Contact with Clothing:** The vertical serrations are designed to improve grip without snagging clothing. However, be mindful when drawing the firearm.
- **Use Appropriate Firearm:** Ensure that the mainspring housing is compatible with your 1911 model (Government, Commander, or Officers ACP).
- **Check Fitment:** After installation, check that the mainspring housing fits securely and does not interfere with firearm operation.
- **Inspect Before Use:** Always inspect the mainspring housing for any defects before using the firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver and any other required tools.

### 2. Installation Steps:

- Remove the existing mainspring housing from your firearm by following the manufacturer's guidelines.
- Align the new 1911 Serrated Mainspring Housing with the mounting points on the firearm.
- Securely attach the mainspring housing using the appropriate screws, ensuring a snug fit.
- Doublecheck that the mainspring housing is properly installed and does not move.

### 3. Usage:

- When using the firearm, maintain a firm grip on the mainspring housing.
- Practice safe handling and operation of the firearm at all times.

## Disposal Instructions

- When disposing of the product, follow local regulations for metal recycling or disposal of firearm components.
- Do not throw away in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Serrated Mainspring Housing, please refer to the manufacturer's customer service resources.

Stay safe and enjoy your enhanced 1911 experience!
