## Introduction

Thank you for purchasing the 1911 Hammer John Masen Blue WS Hammer. This product is designed as a direct replacement hammer for various 1911 models, ensuring quality and durability. Please read this safety instruction guide carefully to ensure safe use and installation.

## General Safety Guidelines

- Ensure the hammer is compatible with your specific 1911 model: Government, Commander, or Officers.
- Always handle firearms and firearm components with care and follow all safety protocols.
- Keep the hammer and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the hammer for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Do not attempt to modify the hammer or any other firearm components.
- Ensure the firearm is unloaded before installation or maintenance.
- Follow the manufacturer's instructions for installation and usage to avoid potential hazards.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a hammer, punch, and any other required tools.
- Ensure your workspace is clean and welllit.

### 2. Installation Steps

- Make sure the firearm is completely unloaded.
- Remove the original hammer from the firearm by following the manufacturer's guidelines.
- Install the new 1911 Hammer John Masen Blue WS Hammer by carefully aligning it with the hammer pin.
- Use the punch to secure the hammer in place, ensuring it is properly seated.
- Reassemble any other components that were removed during installation.

### 3. PostInstallation Check

- After installation, conduct a function check to ensure the hammer operates correctly.
- Verify that the hammer engages and releases properly without obstructions.

## Disposal Instructions

- Dispose of the hammer and any associated components in accordance with local regulations.
- Do not dispose of the hammer in regular household waste. Instead, consult local authorities for proper disposal methods.
