Safety Instruction Guide for the 1911 Extended Slide Stop John Masen Extended Gray Slide Stop

Introduction

Thank you for choosing the 1911 Extended Slide Stop by John Masen. This guide provides important safety instructions and information to ensure the proper and safe use of the product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that this product is used only with compatible firearms, specifically the 1911 models: Government, Commander, and Officers.
- Always handle firearms with care and follow general firearm safety rules.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the slide stop for wear or damage before use.
- If you notice any irregularities or issues, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the slide stop; doing so may compromise safety and functionality.
- Always ensure that the firearm is unloaded before installing or adjusting the slide stop.
- Use caution when engaging or disengaging the slide stop to prevent accidental discharge.
- Be aware of your environment and ensure a safe backdrop when using firearms.
- Wear appropriate safety gear, such as eye and ear protection, when operating firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, such as a punch tool and hammer.

2. Installation:

- Locate the existing slide stop on the firearm.
- Use the punch tool to carefully remove the existing slide stop pin.
- Align the new John Masen Extended Slide Stop with the slide stop hole.
- Insert the hardened and heat-treated pin provided with the slide stop, ensuring a secure fit.

3. Usage:

- To engage the slide stop, press the thumb pad with your thumb.
- To disengage, pull back the slide and release the slide stop.
- Ensure that the slide engages smoothly and that the slide stop operates as intended.

4. PostInstallation Check:

- After installation, perform a function check to ensure that the slide stop operates correctly.
- If any issues are detected, consult a qualified gunsmith for assistance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If you need to dispose of the product due to damage or wear, consider recycling metal components where applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 1911 Extended Slide Stop, please consult your local dealer or a qualified gunsmith. Additionally, stay informed about safety updates and product recalls through the EU's Safety Gate platform.

Thank you for prioritizing safety while using the 1911 Extended Slide Stop. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
