

# AR-15 GAS BUSTER REPLACEMENT CHARGING HANDLE LATCHES - PRECISION REFLEX MILITARY LATCH, ONLY

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Latches](#)

## Helps You Cycle the Handle Fast, On the FIRST Try

Precision Reflex's replacement AR-15 charging handle latches have oversized grasping surfaces to help you operate the handle faster and more reliably, especially when you're under stress. They fit standard mil-spec charging handles as well as PRI Gas Buster handles and are machined from hardened steel to stand up to hard use. Precision Reflex replacement AR-15 Charging Handle Latches come in three configurations: Flat Latch most resembles the latch on the standard mil-spec handle, but has a deeply hooked contour that gives you an extra-secure, non-slip hold Military Big Latch is oversized with a straight front edge that is easy to locate, grasp, and operate; edges are rounded to protect your fingers Combat Latch has a similar contour to Military Big Latch but is 17% larger, with serrations on the front edge to assist in quick and comfortable operation All PRI replacement AR-15 charging handle latches will help you get your finger in the right place and cycle the handle FAST on the first attempt, without fumbling and false tries. Roll pin included.

## Attributes

# AR15 Gas Buster Replacement Charging Handle Latches Safety Instructions

## Introduction

Thank you for choosing the Precision Reflex AR15 Gas Buster Replacement Charging Handle Latches. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the charging handle latches for wear and damage before use.
- If you notice any damage or malfunction, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding the use of firearms and related accessories.

## Specific Safety Precautions for Use

- Use gloves when handling the charging handle latches to avoid injury from sharp edges.
- Ensure that the firearm is unloaded before installing or replacing the charging handle latches.
- Do not attempt to modify or alter the charging handle latches.
- Always ensure that the charging handle is securely attached before operating the firearm.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Latch:** Use a punch tool to carefully remove the roll pin securing the existing charging handle latch.
3. **Install New Latch:** Align the new charging handle latch with the charging handle and insert the roll pin to secure it in place.
4. **Check Security:** Ensure the latch is firmly attached and operates smoothly.

### Usage

- To operate the charging handle, grasp the latch firmly using your fingers.
- Pull the charging handle back in a smooth motion to cycle the firearm.
- Practice operating the charging handle in a safe environment to become familiar with its functionality.

## Disposal Instructions

- Dispose of any damaged or wornout charging handle latches in accordance with local regulations.
- Do not throw the product in regular household waste. Instead, consider recycling options if available.

## Contact Information for Further Support

For any inquiries or concerns regarding the product, please reach out to the manufacturer's customer service or visit the official website for more information.

Please ensure that you keep this document for future reference. Your safety and the safe use of your firearm

depend on your understanding and adherence to these guidelines. Thank you for your attention to these important safety instructions.
