SEMIAUTO RIFLE RECOIL PAD JOHN MASEN

M14/M1A RECOIL PAD Safety Instructions

Introduction

Thank you for choosing the SEMIAUTO RIFLE RECOIL PAD by JOHN MASEN. This product is designed to enhance your shooting experience by increasing stock length and providing a cushioned, recoilabsorbing surface. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the recoil pad is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the recoil pad out of reach of children and vulnerable individuals.
- Regularly inspect the recoil pad for signs of wear or damage.
- Do not use the recoil pad if it is damaged or shows signs of excessive wear.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- When installing the recoil pad, ensure that the firearm is unloaded and pointed in a safe direction.
- Avoid placing excessive pressure on the recoil pad during installation.
- Do not modify the recoil pad or attempt to make alterations that could compromise its integrity.
- Ensure a secure fit to prevent the recoil pad from slipping during use.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.

Instructions for Installation and Usage

1. Preparing for Installation

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary tools for installation, if required.

2. Removing the Original Pad

- Carefully remove the original recoil pad from the firearm's stock.
- Follow manufacturer instructions for removal to avoid damage.

3. Installing the Recoil Pad

- Align the new recoil pad with the stock of your firearm.
- Secure the recoil pad in place using the appropriate screws or fasteners.
- Ensure the pad is firmly attached and does not move.

4. Final Inspection

- Check that the installation is secure and that the pad fits snugly against the stock.
- Test the firearm in a safe environment to ensure proper functionality.

Disposal Instructions

- Dispose of the recoil pad in accordance with local regulations.

- Do not dispose of the product in household waste. Instead, consider recycling options if available.
- Ensure that any discarded parts are kept out of reach of children and pets.

Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please refer to the product packaging or visit the manufacturer's website for contact details.

Thank you for prioritizing safety while using the SEMIAUTO RIFLE RECOIL PAD. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
