Safety Instruction Guide for 1911 Extractor John Masen Extractor, .45ACP (B)

Introduction

Thank you for choosing the 1911 Extractor John Masen Extractor, .45ACP (B). This product is designed to ensure highquality performance and reliability. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms and firearm components with care and respect.
- Ensure that the extractor is installed by a qualified gunsmith if you are not experienced in firearm maintenance.
- Keep the product out of reach of children and unauthorized persons.
- Regularly inspect the extractor for signs of wear or damage. Do not use if damaged.
- Store the extractor in a secure place when not in use.
- Follow all local laws and regulations regarding firearm components and usage.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or inspecting the extractor.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Avoid using the extractor with ammunition that exceeds the specified caliber (.45ACP).
- Do not modify the extractor or any firearm components, as this may compromise safety and performance.
- If you experience any malfunctions or issues while using the extractor, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (e.g., screwdriver, punch tool).

2. Installation:

- Remove the existing extractor from the firearm by carefully following the manufacturer's guidelines.
- Inspect the area for any debris or damage before installing the new extractor.
- Align the new extractor with the mounting points and gently press into place.
- Secure the extractor using the appropriate screws or fasteners, ensuring it is firmly in place.

3. PostInstallation Check:

- After installation, perform a function check to ensure that the extractor operates correctly.
- Test the firearm with dummy ammunition to verify proper extraction before livefire testing.

4. Usage:

- Use the firearm in accordance with the manufacturer's instructions.
- Regularly clean and maintain the extractor as part of your firearm maintenance routine.

Disposal Instructions

- Dispose of any defective or nonfunctional extractors in accordance with local regulations.
- Do not dispose of in regular household waste.
- Consider recycling options for metal components if available in your area.

Contact Information for Further Support

For any inquiries regarding safety, installation, or maintenance of the 1911 Extractor John Masen Extractor, .45ACP (B), please refer to the manufacturer's website or contact your local dealer for assistance.
