# 1911 Grip Safety/Thumb Safety User Safety Instructions

## Introduction

Thank you for choosing the 1911 Grip Safety/Thumb Safety by John Masen. This product is designed to enhance the safety and functionality of your 1911 Auto firearm. It is essential to read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using this product.
- Always treat every firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Store firearms and ammunition separately and securely.
- Follow all local laws and regulations regarding firearm ownership and safety.
- Regularly inspect your firearm and safety components for wear and damage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not use this grip safety if it is damaged or shows signs of wear.
- Ensure that the safety mechanism is functioning properly before use.
- Only use compatible models: Government, Commander, and Officers.
- Always check that the firearm is unloaded before performing any maintenance or installation.
- Do not attempt to modify or alter the grip safety in any way.
- If you experience any issues with the grip safety, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Preparation

- Ensure the firearm is unloaded and safe to handle.
- Gather necessary tools: screwdriver, wrench, and any specific tools recommended for your firearm model.

#### 2. Remove Existing Safety

- Using the appropriate tool, carefully remove the existing grip safety from the firearm.
- Keep all screws and components in a safe place for reassembly.

#### 3. Install New Grip Safety

- Align the new John Masen grip safety with the mounting points on the firearm.
- Securely fasten the grip safety using the screws removed earlier.
- Ensure that the safety mechanism engages and disengages smoothly.

#### 4. Final Check

- After installation, check the functionality of the grip safety.
- Ensure that the firearm operates correctly and that the safety feature is working as intended.

## **Usage Instructions**

- Always check that the grip safety is functioning before each use.
- Practice safe handling techniques when operating your firearm.
- Regularly inspect the grip safety for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of any old or damaged safety components in accordance with local regulations.
- Do not dispose of firearms or firearm parts in regular household waste.
- Contact a local firearms dealer or recycling center for proper disposal options.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the 1911 Grip Safety/Thumb Safety, please reach out to your local retailer or consult a qualified gunsmith.

By following these safety instructions, you help ensure a safe and enjoyable experience with your firearm. Always prioritize safety and responsibility when handling firearms.
