Safety Instruction Guide for 1911 Grip Safety/Thumb Safety

Introduction

Thank you for choosing the 1911 Grip Safety/Thumb Safety by John Masen. This product is designed to enhance the safety and functionality of your 1911 firearm. It is important to follow these safety instructions to ensure proper use and to minimize any risks associated with the product.

General Safety Guidelines

- Ensure that all components are installed correctly and securely.
- Always handle firearms with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the grip safety for wear and tear.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only with compatible 1911 models: Government, Commander, and Officers.
- Ensure that the firearm is unloaded before performing any installation or maintenance.
- Do not modify the grip safety or any other part of the firearm.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Gather necessary tools for installation, including a screwdriver and any other required equipment.

2. Remove Old Grip Safety:

- Carefully remove the existing grip safety using the appropriate tools.
- Keep all screws and components for potential reinstallation.

3. Install New Grip Safety:

- Align the new grip safety with the firearm.
- Securely fasten the grip safety using the screws from the previous installation.
- Ensure that the grip safety functions correctly by testing it before use.

Usage

- After installation, perform a function check to ensure the grip safety operates as intended.
- Follow all standard operating procedures for your firearm.
- Always keep the firearm pointed in a safe direction when handling.

Disposal Instructions

- Dispose of any old or damaged parts responsibly and in accordance with local regulations.
- Do not discard hazardous materials in regular waste. Check with local authorities for proper disposal methods.
