1911 Grip Safety/Thumb Safety John Masen Safety Lock (Thumb Safety) User Manual

Introduction

Thank you for choosing the 1911 Grip Safety/Thumb Safety by John Masen. This product is designed to enhance the safety and functionality of your 1911 firearm. It is manufactured from highquality, U.S.made materials to ensure durability and reliability. This manual provides essential safety guidelines, installation instructions, and information to ensure the safe use of this product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm securely and out of reach of children and unauthorized users.
- Do not use this product if it appears to be damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm use and safety.
- Regularly inspect your firearm and safety components for wear and damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the grip safety.
- Do not attempt to modify the grip safety or any other firearm components.
- Always wear appropriate eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure that you have a clear and safe area when practicing with your firearm.
- Keep fingers off the trigger until ready to shoot.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure your firearm is unloaded and safe to handle.
2. **Remove Existing Safety:** If applicable, carefully remove the existing thumb safety from your firearm.
3. **Install New Grip Safety:**
 - Align the new grip safety with the mounting holes on your firearm.
 - Secure the grip safety using the provided screws, ensuring it is firmly attached.
4. **Function Check:**
 - After installation, check the functionality of the grip safety by ensuring it engages and disengages correctly when the grip is applied and released.
 - Ensure that the thumb safety operates smoothly and does not interfere with the operation of the firearm.
5. **Final Inspection:** Verify that all components are securely attached and functioning properly before use.

Usage Instructions

- Always ensure that the grip safety is engaged when handling the firearm.
- Familiarize yourself with the operation of the thumb safety and practice engaging and disengaging it safely.
- Regularly check the grip safety for signs of wear or damage and replace if necessary.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the product is no longer needed or is damaged beyond repair, dispose of it in a way that prevents unauthorized use.
- Follow local guidelines for the disposal of firearm components and materials.
