# SAKOSTYLE EXTRACTOR KIT HARRIS GUNWORKS

## .308 Safety Instruction Guide

### Introduction

Thank you for choosing the SAKOSTYLE EXTRACTOR KIT by Harris Gunworks. This kit is designed to enhance the performance of Remington 700 bolts by converting them to utilize a larger, Sakostyle extractor. This guide provides essential safety information and instructions to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that all safety precautions are followed when handling and installing the extractor kit.
- Always wear appropriate safety gear, including eye protection, when working with firearms and their components.
- Keep the extractor kit out of reach of children and unauthorized users.
- Do not use this kit with any firearms other than those specified (Remington 700).
- Regularly inspect the extractor and its components for signs of wear or damage before each use.
- If you experience any issues with the kit or the firearm, discontinue use immediately and consult a qualified gunsmith.

### Specific Safety Precautions for Use

- Do not attempt to install the extractor kit unless you have the necessary skills and tools. Installation requires machining of the bolt.
- Always ensure the firearm is unloaded before beginning any installation or maintenance work.
- Be aware that improper installation may lead to malfunction or injury.
- Use only the recommended components included in the kit: extractor, plunger pin, and spring.
- Follow all local laws and regulations regarding firearm modifications and safety.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools, including a suitable machining tool for bolt modification.
- Ensure your workspace is clean and welllit.

#### 2. Installation Steps:

- Ensure the firearm is completely unloaded and the bolt is removed.
- Carefully machine the bolt according to the specifications provided in the kit instructions.
- Install the new extractor into the modified bolt, ensuring it is seated properly.
- Insert the plunger pin and spring into their respective positions.
- Reassemble the bolt and reinstall it into the firearm.

#### 3. PostInstallation Checks:

- After installation, perform a function check to ensure the extractor operates correctly.
- Inspect the extractor for proper alignment and secure seating.
- Test the firearm with dummy rounds to confirm reliable extraction before live firing.

## **Disposal Instructions**

- Dispose of any unused components and packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the extractor or its components in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the SAKOSTYLE EXTRACTOR KIT, please refer to the contact information provided on the product packaging or visit the official website of Harris Gunworks. Always ensure that you are reaching out through official channels for accurate and timely assistance.

Thank you for your attention to these safety instructions. Proper handling and installation of the SAKOSTYLE EXTRACTOR KIT will enhance your firearm's performance and ensure a safer shooting experience. Always prioritize safety and compliance with local regulations.
