

AR-15 ORIGINAL ERGO GRIP-RIGID - ERGO GRIPS AMBIDEXTROUS RIGID ERGO GRIP POLYMER BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Improves Trigger & Recoil Control

Hand-filling, ergonomic profile with finger grooves, palm swells, and many other features improves shooting comfort and accuracy. Tactical grips feature either Suregrip or Rigid grip for a non-slip, textured finish. Suregrip adds an overmolded, rubberized covering to the polymer body for a superior grip and added cushion. Rigid grip features Rhino Hide™, a hard textured finish molded directly into the polymer. Right-Hand models have a distinct thumb shelf. Models available with Suregrip or Rigid textured finish.

Safety Instructions for AR15 Original Ergo Grip

Introduction

Thank you for choosing the AR15 Original Ergo Grip. This manual provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure the grip is compatible with your firearm model.
- Inspect the grip for any visible damage before use.
- Always handle firearms safely and responsibly.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the grip if it is damaged or shows signs of wear.
- Ensure that your hands are clean and dry when handling the grip to maintain a secure hold.
- Avoid using the grip in extreme weather conditions, as temperature fluctuations may affect the material.
- Do not modify the grip in any way, as this may compromise its safety and effectiveness.
- Always follow the manufacturer's instructions for safe firearm handling and operation.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip according to the manufacturer's instructions.
- Align the AR15 Original Ergo Grip with the grip mount on your firearm.
- Secure the grip using the provided screws or fasteners. Tighten firmly but do not overtighten, as this may damage the grip or firearm.

2. Usage

- Hold the grip with a firm and comfortable hand position.
- Utilize the finger grooves and palm swells for optimal control and comfort during shooting.
- Regularly check the grip for tightness and any signs of wear during use.
- Clean the grip with a damp cloth and mild soap as needed to maintain its condition.

Disposal Instructions

- Dispose of the grip in accordance with local regulations for plastic waste.
- Do not incinerate or expose the grip to extreme heat, as this may release harmful substances.
- If the grip is damaged beyond repair, consider recycling if possible.

Contact Information for Further Support

For any safety inquiries or assistance regarding your AR15 Original Ergo Grip, please consult the manufacturer or authorized dealers. They can provide additional guidance and support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the AR15 Original Ergo Grip!
