# AR15 ERGO Picatinny Direct Thread Universal Rail Safety Instructions

## Introduction

Thank you for choosing the AR15 ERGO Picatinny Direct Thread Universal Rail. This product is designed to enhance the functionality of your AR15 handguards by providing a secure platform for mounting lights, lasers, and tactical gear. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the rail and its attachments for any signs of wear or damage.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about recalls or safety alerts related to this product via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Only use accessories that are compatible with Picatinny and Weaverstyle mounts.
- Avoid overtightening screws, which may damage the rail or the handguard.
- Do not modify the rail or its components in any way, as this may compromise safety.
- Ensure that all mounting screws are securely fastened before use.
- Use caution when handling firearms and always follow standard firearm safety practices.

## Instructions for Installation and Usage

### Installation Steps

1. **Gather Required Tools:** You will need a screwdriver suitable for the mounting screws provided.
2. **Identify Mounting Location:** Choose a suitable location on your AR15 handguard or forend where the rail will be installed.
3. **Align the Rail:** Position the rail on the chosen location, ensuring that the mounting holes are aligned with the handguard slots.
4. **Insert Screws:** Using the provided screws, insert them into the mounting holes and handtighten them.
5. **Secure the Rail:** Once all screws are in place, use the screwdriver to firmly tighten each screw, ensuring the rail is secure but not overtightened.

### Usage Guidelines

- Attach compatible accessories securely to the rail.
- Regularly check the tightness of the screws and the stability of attached accessories.
- Remove the rail if not in use for extended periods to prevent wear on the handguard.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and electronic waste.
- Do not dispose of the product in household waste. Instead, utilize designated recycling facilities or collection points for proper disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the EUbased contact point provided by the manufacturer. Always ensure that you have the product details on hand when seeking assistance.

By following these safety instructions, you can ensure that your AR15 ERGO Picatinny Direct Thread Universal Rail is used safely and effectively. Thank you for your attention to these important guidelines.
