

AR-15 ERGO PICATINNY HANDSTOP POLYMER - ERGO GRIPS PICATINNY HANDSTOP POLYMER BLACK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

Fast, Precise, Tactile Hand Placement On Railed Forends

During competition or a tactical situation, you can't afford to lose time fumbling to position your hand on the forearm, or, worse yet, have it slide off when racking a pump action shotgun. These ergonomically shaped handstops attach to a Picatinny rail forend to provide precise, tactile indexing of the support hand, so you keep your eyes on the target while mounting the weapon. Helps keep hand in position during recoil, too, for fast follow-up shots. Molded-polymer Snap-On stop snaps securely into a single rail slot. Rubber-coated SureStop protects the hand and resists snagging on other gear. Dual cross-bolts clamp the stop tightly to the rail for a solid, movement-free installation.

Attributes

- Name: [ERGO GRIPS PICATINNY HANDSTOP POLYMER BLACK](#)
- Manufacturer: [ERGO GRIPS](#)
- Product no.: 573000052

AR15 ERGO Picatinny Handstop Safety Instructions

Introduction

Thank you for choosing the AR15 ERGO Picatinny Handstop. This product is designed to enhance your shooting experience by providing a secure grip and improved control during use. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure that the handstop is securely attached to the Picatinny rail before use.
- Regularly inspect the handstop for signs of wear or damage.
- Do not use the handstop if it is damaged or broken.
- Keep the handstop and all firearm accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or adjusting the handstop.
- Avoid placing your hand on the handstop while the firearm is being loaded or unloaded.
- Do not use the handstop as a means to support your weight or as a grip when the firearm is not being used.
- Be aware of your surroundings and ensure that the area is safe before using the firearm with the handstop.
- Use the handstop only as intended and follow all manufacturer guidelines.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Make sure the firearm is completely unloaded and pointed in a safe direction.
2. **Locate Picatinny Rail:** Identify the location on the Picatinny rail where you wish to attach the handstop.
3. **SnapOn Attachment:** Align the molded polymer SnapOn stop with a single rail slot and press firmly until it snaps securely into place.
4. **Secure with CrossBolts:** Use the dual crossbolts provided to clamp the stop tightly to the rail. Ensure that the stop is stable and does not move.
5. **Check Installation:** After installation, gently pull on the handstop to confirm it is securely attached.

Usage

- Grip the handstop with your support hand during firing to maintain control and stability.
- Ensure that your hand is positioned correctly to prevent slipping during recoil.
- Use the handstop to index your hand consistently for accurate followup shots.

Disposal Instructions

- Dispose of the handstop in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling the polymer material if possible.

Contact Information for Further Support

- For any inquiries or concerns regarding the AR15 ERGO Picatinny Handstop, please contact the manufacturer or authorized retailer for assistance.

By following these guidelines and instructions, you can ensure safe and effective use of the AR15 ERGO Picatinny Handstop. Thank you for prioritizing safety in your shooting activities.
