

AR-15/M16 SPIKE'S BLOCK - ERGO GRIPS AR-15 SPIKE'S BLOCK

[Gunsmith Tools](#) > [Rifle Tools](#) > [Bench & Vise Blocks](#)

Provides A Stable Cleaning/Work Platform On Your Workbench

One-piece, molded polymer stand securely supports the lower receiver for cleaning, maintenance or storage. Base has a small footprint and clamps to your workbench, while the top fits in the magwell of any AR-15 pattern rifle. Grooves in both sides of insert accept the mag catch to lock your rifle on the block. Can also be used as a wall mount for your rifle.

Safety Instruction Guide for AR15/M16 SPIKE'S BLOCK ERGO GRIPS

Introduction

Thank you for choosing the AR15/M16 SPIKE'S BLOCK ERGO GRIPS. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read and follow all instructions carefully to prevent accidents and injuries.

General Safety Guidelines

- Ensure the product is used only for its intended purpose: supporting the lower receiver of AR15 pattern rifles for cleaning, maintenance, or storage.
- Always inspect the product before use for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the use and storage of firearms.
- In the event of an emergency or unsafe condition, stop using the product immediately and consult a qualified professional.

Specific Safety Precautions for Use

- **Secure Clamping:** Ensure the base is securely clamped to your workbench before placing the rifle on the block.
- **Proper Fit:** Verify that the top of the block fits properly in the magwell of your rifle to prevent slippage.
- **Mag Catch:** Make sure the grooves on both sides of the insert accept the mag catch to lock the rifle in place securely.
- **Surface Stability:** Use the product only on stable and level surfaces to avoid tipping or instability.
- **Weight Capacity:** Ensure that the workbench can support the weight of the rifle and the block without risk of collapse.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable location on your workbench for the SPIKE'S BLOCK.
- Use four ¼" bolts or screws (not included) for permanent installation.
- Ensure that the block is securely fastened and stable before use.

2. Usage:

- To use the block, align the top of the SPIKE'S BLOCK with the magwell of your AR15 pattern rifle.
- Gently lower the rifle onto the block, ensuring that the mag catch fits into the grooves on both sides.
- Confirm that the rifle is locked in place and cannot move freely.
- For wall mounting, follow the same installation guidelines to ensure a secure fit.

Disposal Instructions

- Dispose of the product responsibly according to local waste management regulations.
- Do not dispose of the product in regular household waste. Check for recycling options or designated disposal sites for polymer materials.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the AR15/M16 SPIKE'S BLOCK ERGO GRIPS, please contact your local authorized dealer or consult the manufacturer's website for additional resources and support.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our priority.
