Safety Instruction Guide for PICATINNY ERGO TEXTURED RAIL COVER 2PACK

Introduction

Thank you for choosing the PICATINNY ERGO TEXTURED RAIL COVER 2PACK. This product is designed to enhance your grip and protect your picatinny rails. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only as intended and according to the provided instructions.
- Regularly inspect the rail cover for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any issues or concerns regarding the safety of this product, report them to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the rail covers on compatible picatinny rails.
- Avoid using the rail covers in extreme temperatures or harsh environments which may affect their performance.
- Do not apply excessive force when installing or removing the rail covers to prevent damage.
- Ensure that the rail covers are securely locked in place before use to avoid accidental detachment.
- If you notice any cracks or deformities in the rail covers, discontinue use immediately.

Instructions for Installation and Usage

1. Preparation:

- Clean the picatinny rail surface to ensure proper adhesion and fit.
- Verify that the rail covers are compatible with your equipment.

2. Installation:

- Align the rail cover with the picatinny rail.
- Slide the rail cover onto the rail until it reaches the desired position.
- Press down firmly to ensure that the rail cover locks into place.

3. Usage:

- Use the rail cover to enhance your grip when handling equipment.
- Regularly check to ensure the rail cover remains securely in place during use.

4. Removal:

- To remove the rail cover, gently pull it away from the rail while ensuring not to apply excessive force.
- Inspect the rail and the cover for any damage before reinstallation or storage.

Disposal Instructions

- Dispose of the rail covers in accordance with local regulations regarding plastic waste.
- Do not dispose of the product in household waste if it can be recycled.
- Consider contacting your local waste management authority for guidance on proper disposal methods.
