[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

An ERGO Grip Designed to Enhance Control and Comfort

Looking to get a better grip on your AR-15 or .308 AR? The ERGO Grips TDX-0 Tactical Deluxe Zero Angle Grip is purpose-built to provide AR owners with the grip angle and ergonomic design they need to actuate all of their rifle's controls with comfort, speed and ease. Each ERGO Grips TDX-0 Tactical Deluxe Zero Angle Grip is designed with the company's Overmolded SureGrip material, providing a solid texture that anchors the grip in a shooter's hand. The grip is guaranteed to fit and feel comfortable with all hand sizes, and AR owners can match their rifles with either black or flat dark earth options. Each grip is designed for use on AR-15s and .308 ARs, as well as chassis rifles designed to accept standard AR grips. Each grip is made in the USA and is backed by ERGO Grips' lifetime guarantee.

TDX0 Tactical Deluxe Zero Angle SureGrips® Ergo Grips Safety Instructions

Introduction

Thank you for choosing the TDX0 Tactical Deluxe Zero Angle SureGrips® Ergo Grips. This guide provides important safety information and instructions to ensure the safe and effective use of your grip. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the grip is compatible with your firearm model (AR15 or .308 AR).
- Always follow the manufacturer's instructions for installation and use.
- Keep the grip and all accessories out of reach of children and vulnerable individuals.
- Regularly inspect the grip for any signs of wear or damage.
- If you notice any defects or issues, discontinue use and contact the manufacturer.

Specific Safety Precautions for Use

- **Proper Handling:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- **Grip Installation:** Ensure the grip is securely attached to the firearm before use. A loose grip can affect control and safety.
- **Shooting Position:** Maintain a stable shooting position to enhance control and accuracy.
- **Environmental Considerations:** Avoid using the grip in extreme temperatures or wet conditions that may affect grip performance.
- **Personal Protective Equipment:** Use appropriate eye and ear protection when operating your firearm.

Instructions for Installation and Usage

1. Installation:

- Remove the existing grip from your firearm following the manufacturer's guidelines.
- Align the TDX0 Tactical Deluxe Zero Angle Grip with the mounting area.
- Securely attach the grip using the provided screws, ensuring it is tight and stable.
- Check for any movement or looseness; if present, retighten the screws.

2. Usage:

- Hold the grip firmly with your dominant hand while keeping your fingers clear of the trigger until ready to shoot.
- Use your nondominant hand to stabilize the firearm against your body or support.
- Practice proper trigger discipline at all times.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the grip becomes damaged beyond repair, dispose of it in a manner that prevents accidental use.
- Recycle any materials where applicable.

Contact Information for Further Support

For safety inquiries or support regarding the TDX0 Tactical Deluxe Zero Angle Grip, please refer to the manufacturer's website or customer service channels. Ensure you have your product information available when seeking assistance.

By following these guidelines, you can ensure the safe use of your TDX0 Tactical Deluxe Zero Angle Grip. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important safety instructions.
