Safety Instruction Guide for AR15 Pistol Caliber Carbine Spacer 9mm

Introduction

Thank you for choosing the ERGO Pistol Caliber Carbine Buffer Spacer. This product is designed for use with AR firearms and is specifically tailored for carbine length buffers. It helps limit rearward travel and reduces the risk of breaking bolt catches. This guide provides important safety instructions to ensure proper use and maintenance of the product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before use.
- Ensure that the product is suitable for your specific firearm model.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installation or adjustment.
- Do not exceed the recommended caliber specifications (9mm, .40, and .45).
- Use only compatible buffers with this spacer.
- Avoid using the product in extreme temperatures or environmental conditions that may affect its integrity.
- Follow all local laws and regulations regarding firearm modifications and usage.
- If unsure about the installation or use, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure you have the required tools for installation, including a wrench and any other necessary equipment.
- Verify that the workspace is clean and free of distractions.

2. Installation Steps

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing buffer from the buffer tube.
- Install the ERGO Pistol Caliber Carbine Buffer Spacer onto the buffer tube.
- Reinsert the buffer, ensuring it fits securely against the spacer.
- Tighten all connections as per the manufacturer's specifications.

3. Usage Instructions

- After installation, conduct a function check of the firearm to ensure proper operation.
- Regularly inspect the spacer for any signs of wear or damage during routine maintenance.
- If any issues arise during use, cease operation immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum materials where available.

Contact Information for Further Support

For any questions or concerns regarding the ERGO Pistol Caliber Carbine Buffer Spacer, please refer to the manufacturer's website or customer support services. Ensure you have your product details handy for a more efficient response.

By following these safety guidelines and instructions, you can ensure the safe and effective use of the ERGO Pistol Caliber Carbine Buffer Spacer. Thank you for your attention to safety.
