

# RIFLE UNI-RAMP FRONT SIGHT - MARBLE ARMS RIFLE UNI-RAMP FRONT SIGHT .470 FIBER OPTIC ORANGE

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

## Solid Steel Body For Strength; Long Rod Picks Up Lots Of Light

One-piece sight body contains a glowing,  $\frac{3}{4}$ " long x .050" outside diameter, fiber optic rod that gives excellent visibility under most hunting conditions. Single screw mounting gives quick replacement on rifles, shotguns and muzzle loaders that use screw-held front sights. Polished blue finish, saves time and labor, blends with barrel. Available with orange optic rods in two blade heights and two barrel contours to fit most firearm applications.

# RIFLE UNIRAMP FRONT SIGHT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the RIFLE UNIRAMP FRONT SIGHT by Marble Arms. This product is designed to enhance your shooting experience by providing a reliable and visible sighting option. It is important to read and understand these safety instructions to ensure the safe use of this product.

## General Safety Guidelines

- Always handle firearms responsibly and with care.
- Ensure that the firearm is unloaded when installing or adjusting the sight.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Do not use the sight if it appears damaged or defective.
- Regularly inspect the sight for wear and tear, especially before use.
- Always follow the manufacturer's instructions for your specific firearm model.

## Specific Safety Precautions for Use

- Ensure that the sight is securely mounted before firing the firearm.
- Avoid using the sight in extreme weather conditions that may affect visibility.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the sight or use it in a manner not intended by the manufacturer.
- If using in lowlight conditions, ensure that the fiber optic rod is clean and unobstructed for optimal visibility.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight if applicable.
- Align the new RIFLE UNIRAMP FRONT SIGHT with the mounting base.
- Secure the sight with the provided screw, ensuring it is tightened adequately without overtightening, which may damage the sight or firearm.
- Verify that the sight is aligned and stable before proceeding.

### 2. Usage

- When ready to shoot, ensure that your firearm is in good working order.
- Take aim using the RIFLE UNIRAMP FRONT SIGHT, ensuring that the fiber optic rod is visible and unobstructed.
- Fire the firearm only when you are confident of your target and the surrounding area.
- After use, clean the sight and firearm according to the manufacturer's care instructions.

## Disposal Instructions

- Dispose of the product responsibly at a designated waste facility or recycling center.
- Do not throw the sight in regular household waste.
- Follow local regulations regarding the disposal of firearm accessories.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the RIFLE UNIRAMP FRONT SIGHT, please refer to the contact information provided by the retailer or manufacturer. Always ensure that you are reaching out to an EUbased contact for safety inquiries.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your RIFLE UNIRAMP FRONT SIGHT. Thank you for your attention to safety and responsible firearm use.
