

TRITIUM SHOTGUN SIGHT - 3X56 SIGHT

[Shotgun Parts](#) > [Sights](#) > [Front Sights](#)

Gets You On Target Quickly In Low & Regular Light

CNC-machined, steel sight uses eye-catching tritium to provide a fast sight picture in low light and an easily-noticeable, white ring for regular light. White ring is recessed to protect it from being scratched and to ensure proper light reflection from any angle.

TRITIUM SHOTGUN SIGHT 3X56 SIGHT Safety Instruction Guide

Introduction

Thank you for choosing the TRITIUM SHOTGUN SIGHT 3X56 SIGHT manufactured by MARBLE ARMS. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your shotgun sight. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the sight is compatible with your shotgun model.
- Always handle firearms responsibly and follow the manufacturer's guidelines.
- Keep the sight and all related equipment out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- Always use the sight in accordance with local laws and regulations regarding firearms.

Specific Safety Precautions for Use

- Avoid using the sight in extreme weather conditions, such as heavy rain or snow, which may affect visibility.
- Do not attempt to modify or disassemble the sight, as this may compromise its safety and performance.
- Be aware of your surroundings and ensure that you have a clear line of sight before aiming your firearm.
- Always wear appropriate eye protection when using firearms equipped with sights.
- If the sight becomes damaged or malfunctions, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Locate the mounting area on your shotgun where the sight will be attached.
- Align the sight with the mounting holes and secure it using the appropriate screws (refer to the price line for thread diameter).
- Ensure the sight is firmly attached and does not wobble or move.

2. Usage:

- To use the sight effectively, align the tritium bead with your target.
- In low light conditions, the tritium will provide a bright sight picture. In regular light, the white ring will aid in visibility.
- Always maintain a proper shooting stance and grip on your firearm when aiming.

Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding electronic waste.
- Do not dispose of the sight in regular household trash.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns related to the TRITIUM SHOTGUN SIGHT 3X56 SIGHT, please reach out to the

appropriate EU-based contact point for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience using your TRITIUM SHOTGUN SIGHT 3X56 SIGHT. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
