

TRITIUM SHOTGUN SIGHT - 6X48 SIGHT

[Shotgun Parts](#) > [Sights](#) > [Front Sights](#)

Gets You On Target Quickly In Low & Regular Light

CNC-machined, steel sight uses eye-catching tritium to provide a fast sight picture in low light and an easily-noticeable, white ring for regular light. White ring is recessed to protect it from being scratched and to ensure proper light reflection from any angle.

TRITIUM SHOTGUN SIGHT 6X48 SIGHT Safety Instruction Guide

Introduction

Thank you for choosing the TRITIUM SHOTGUN SIGHT 6X48 SIGHT. This guide provides essential safety instructions and information on how to properly use and maintain your sight. By following these guidelines, you can ensure a safe and effective experience while using this product.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use with universal shotguns. Always follow the usage instructions to avoid potential hazards.
- **Enhanced Recalls:** Stay informed about any recalls that may affect this product. If a recall occurs, you will be notified through standardized notices.
- **Online Shopping:** When purchasing this product online, ensure that the retailer complies with safety requirements to guarantee the authenticity and safety of the product.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of updates regarding product safety through the EU's Safety Gate system. Check regularly for any alerts related to this product.

Specific Safety Precautions for Use

- **Avoid Direct Eye Contact:** Do not look directly into the sight when it is in use, as this may cause eye strain or discomfort.
- **Check for Damage:** Before each use, inspect the sight for any signs of damage or wear. Do not use the sight if it appears compromised.
- **Proper Lighting:** While the tritium feature provides visibility in low light, ensure that you are in an appropriate environment to maximize safety and effectiveness.
- **Secure Installation:** Ensure that the sight is securely installed on your shotgun to prevent it from coming loose during use.
- **Follow Firearm Safety Rules:** Always adhere to general firearm safety rules when using this sight. Treat every firearm as if it is loaded.

Instructions for Installation and Usage

1. Installation:

- Ensure your shotgun is unloaded before installation.
- Locate the mounting area on your shotgun where the sight will be installed.
- Align the sight with the mounting area and secure it using the appropriate tools.
- Check that the sight is firmly attached and does not move.

2. Usage:

- Once installed, hold your shotgun in a stable position.
- Use the tritium feature in low light conditions to acquire your sight picture quickly.
- In regular lighting, utilize the white ring for enhanced visibility.
- Adjust your stance and aim as necessary to ensure accuracy.

Disposal Instructions

- Dispose of the TRITIUM SHOTGUN SIGHT in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the sight in regular household waste. Check with local authorities for designated disposal sites.

Contact Information for Further Support

For any questions or concerns regarding the TRITIUM SHOTGUN SIGHT, please refer to the manufacturer's customer service resources or the designated EU contact point provided with your product.

Thank you for your attention to these safety instructions. By following these guidelines, you can enjoy the benefits of your TRITIUM SHOTGUN SIGHT while ensuring your safety and the safety of others.
