

RIFLE LOW POST - MARBLE ARMS RIFLE LOW POST 1.415" TANG BLACK

[Rifle Parts](#) > [Sights](#) > [Sight Parts](#) > [Blades & Posts](#)

Makes It Easy To Replace The Post That Came With Your Sight

The Improved Tang Sight's quick-release post system makes it easy to replace the post that came with your sight with a higher or lower one for targeting at different ranges. Choose a lower post for close-in targets or a taller post for longer ranges. Post height is also click adjustable for fine-tuning when sighting in; each click represents $\frac{1}{4}$ " of adjustment at 100 yards. A jam nut locks the elevation, so you can remove and reinstall a post without losing settings.

Attributes

- Name: [MARBLE ARMS RIFLE LOW POST 1.415" TANG BLACK](#)
- Manufacturer: [MARBLE ARMS](#)
- Product no.: 579000096

Safety Instruction Guide for RIFLE LOW POST MARBLE ARMS

Introduction

Thank you for choosing the RIFLE LOW POST MARBLE ARMS. This guide provides essential safety instructions to ensure the safe and effective use of your product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the rifle.
- Ensure the rifle is unloaded when adjusting or replacing the post.
- Use the correct tools as specified in the installation instructions to avoid injury.
- Do not modify the product in any way that could compromise its safety.
- Follow all local laws and regulations regarding the use of firearms.

Instructions for Installation and Usage

1. Installation of the Tang Sight Post

- Ensure the rifle is unloaded.
- Use the appropriate tool to loosen the jam nut.
- Carefully remove the existing post.
- Select the desired post height (1.085" to 1.415") based on your shooting distance.
- Insert the new post into the sight.
- Tighten the jam nut securely to lock the elevation settings.
- Adjust the post height using the click adjustment feature (1/4" per click at 100 yards).

2. Usage Guidelines

- Always verify the rifle is in safe working condition before use.
- Adjust your post height based on the distance of your target.
- Ensure your shooting environment is safe and free from obstructions.
- After use, clean and maintain the rifle and sight according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the RIFLE LOW POST MARBLE ARMS, please refer to the product packaging or manufacturer's website for contact details. It is important to have access to support for any safety inquiries.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible use and adherence to these instructions.
