

# RIFLE STANDARD POST - MARBLE ARMS RIFLE STANDARD POST .463" BLACK

[Rifle Parts](#) > [Sights](#) > [Sight Parts](#) > [Blades & Posts](#)

The Improved Tang Sight's quick-release post system makes it easy to replace the post that came with your sight with a higher or lower one for targeting at different ranges. Choose a lower post for close-in targets or a taller post for longer ranges. Post height is also click adjustable for fine-tuning when sighting in; each click represents  $\frac{1}{4}$ " of adjustment at 100 yards. A jam nut locks the elevation, so you can remove and reinstall a post without losing settings.

## Attributes

- Name: [MARBLE ARMS RIFLE STANDARD POST .463" BLACK](#)
- Manufacturer: [MARBLE ARMS](#)
- Product no.: 579000097
- Mfr. No.: 990110

# Safety Instruction Guide for RIFLE STANDARD POST MARBLE ARMS

## Introduction

Thank you for choosing the RIFLE STANDARD POST by Marble Arms. This guide provides essential safety instructions and guidelines for the safe use of your product. Ensuring your safety and the safety of others is our priority. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is targeting with rifles.
- Always handle the rifle and its components with care to avoid accidents.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always ensure the rifle is unloaded before installing or adjusting the post.
- Do not attempt to adjust the post while aiming or firing the rifle.
- Use protective eyewear when shooting to safeguard against potential debris.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearms and shooting practices.

## Instructions for Installation and Usage

### 1. Installation of the Post:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing post by loosening the jam nut.
- Select the desired height for the new post based on your targeting needs.
- Insert the new post into the tang sight and tighten the jam nut to secure it in place.
- Adjust the post height using the click adjustment feature, ensuring each click represents  $\frac{1}{4}$ " of adjustment at 100 yards.

### 2. Usage:

- When preparing to shoot, ensure that the rifle is properly secured and aimed at the target.
- Adjust the post height as necessary for the distance of your target.
- Always check for proper alignment of the post before firing.
- After use, ensure that the rifle is unloaded and store it safely.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check if there are any specific disposal programs for firearms accessories in your area.

## Contact Information for Further Support

For any inquiries related to safety or product support, please contact the designated EUbased contact point

provided with your product or visit the official Marble Arms website for more information.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safer experience with your RIFLE STANDARD POST. Always prioritize safety and responsible use. Thank you for your attention to these important guidelines.
