

# RIFLE MID-RANGE POST - MARBLE ARMS RIFLE MID-RANGE POST .250" BLACK

[Rifle Parts](#) > [Sights](#) > [Sight Parts](#) > [Blades & Posts](#)

The Improved Tang Sight's quick-release post system makes it easy to replace the post that came with your sight with a higher or lower one for targeting at different ranges. Choose a lower post for close-in targets or a taller post for longer ranges. Post height is also click adjustable for fine-tuning when sighting in; each click represents  $\frac{1}{4}$ " of adjustment at 100 yards. A jam nut locks the elevation, so you can remove and reinstall a post without losing settings.

## Attributes

- Name: [MARBLE ARMS RIFLE MID-RANGE POST .250" BLACK](#)
- Manufacturer: [MARBLE ARMS](#)
- Product no.: 579000098

# Safety Instruction Guide for RIFLE MIDRANGE POST MARBLE ARMS

## Introduction

Thank you for choosing the RIFLE MIDRANGE POST by MARBLE ARMS. This product is designed to enhance your shooting experience by providing adjustable sighting options. It is essential to understand and follow the safety guidelines outlined in this manual to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms and related accessories with care and responsibility.
- Ensure that the product is installed and used according to the manufacturer's instructions.
- Regularly check the product for wear and tear. Replace any damaged components immediately.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using firearms and ensure a safe shooting environment.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recalls or safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or adjusting the sight.
- Always wear appropriate eye and ear protection when using firearms.
- Adjust the post height only when the firearm is pointed in a safe direction.
- Use the click adjustment feature carefully to avoid overadjustment.
- Do not attempt to modify the product beyond its intended use.
- If you experience any malfunction or difficulty with the sight, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Post:** Loosen the jam nut and carefully remove the current post from the tang sight.
3. **Select the Desired Post Height:** Choose a post that suits your shooting range needs (lower for close targets, taller for longer ranges).
4. **Install the New Post:** Insert the new post into the tang sight and tighten the jam nut securely.
5. **Adjust the Post Height:** Use the click adjustment feature to finetune the height. Each click represents  $\frac{1}{4}$ " of adjustment at 100 yards.

### Usage

- When using the sight, ensure that you are familiar with the firearm and its operation.
- Regularly check the tightness of the jam nut to maintain elevation settings.
- Practice shooting with your new sight to become accustomed to the adjustments.

## Disposal Instructions

- When disposing of the product, ensure that it is done in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods for firearm accessories.

## **Contact Information for Further Support**

For any inquiries regarding the RIFLE MIDRANGE POST or to report safety concerns, please refer to the appropriate contact points provided by the retailer or manufacturer.

By adhering to these guidelines, you can ensure a safe and enjoyable experience with the RIFLE MIDRANGE POST by MARBLE ARMS. Thank you for prioritizing safety in your shooting practices.
