User Safety Instructions

Introduction

Thank you for choosing the Tang Sight Screw Set by Marble Arms for your Henry Golden Boy. This guide provides essential safety information, installation instructions, and maintenance tips to ensure safe and effective use of your product.

General Safety Guidelines

- Always inspect the product before use to ensure it is in good condition.
- Use the Tang Sight Screw Set only as intended and described in this manual.
- Keep all components out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for recalls or safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the screws are compatible with your specific model (Henry Golden Boy) before installation.
- Do not overtighten screws, as this may damage the sight or the firearm.
- Always handle tools with care to avoid injury.
- Wear appropriate safety gear, such as gloves and eye protection, when installing or handling screws.
- If you are unsure about the installation process, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Ensure you have the correct tools for installation (e.g., screwdriver).
- Clean the area where the sight will be installed to remove any dirt or debris.

2. Installation

- Locate the existing sight on your Henry Golden Boy.
- Remove the old screws carefully using the appropriate screwdriver.
- Align the Tang Sight Screw Set with the sight mounting holes.
- Insert the new screws and tighten them gently. Ensure they are secure but do not overtighten.
- Doublecheck that the sight is aligned properly and functions as intended.

3. Usage

- After installation, test the sight to ensure it is secure and functioning correctly.
- Regularly check the screws for tightness during routine maintenance of your firearm.

Disposal Instructions

- Dispose of any old screws or components in accordance with local regulations.
- Do not dispose of screws in a manner that may pose a hazard to the environment or public safety.
