# MARLIN TANG SIGHT SCREW SET Safety Instruction Guide

## Introduction

Thank you for choosing the MARLIN TANG SIGHT SCREW SET by Marble Arms. This guide provides essential safety instructions and usage information to ensure the safe handling and installation of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- If you notice any defects or irregularities, discontinue use immediately and seek assistance.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the correct size and type of screw for your tang sights as indicated in the provided chart.
- Avoid overtightening screws, as this may damage the sight or the firearm.
- Wear appropriate safety gear, such as eye protection, when installing or adjusting the sight.
- Handle all tools with care and ensure they are in good working condition.
- Store the screws in a safe and dry place when not in use to prevent loss or damage.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools before starting the installation.
- Ensure that the firearm is unloaded and secured before beginning work.

### 2. Identifying the Correct Screw

- Refer to the provided chart to identify the correct screw size and type for your specific tang sight model.

### 3. Installation Steps

- Align the tang sight with the mounting holes on your firearm.
- Insert the identified screw into the mounting hole.
- Gently tighten the screw using the appropriate tool, ensuring it is secure but not overly tight.
- Repeat the process for any additional screws required for the tang sight.

### 4. Final Checks

- Once all screws are installed, doublecheck to ensure they are all tightened properly.
- Test the tang sight for stability before using the firearm.

## Disposal Instructions

- Dispose of any unused or damaged screws responsibly, following local regulations for hazardous waste.

- If the product is no longer in use, ensure it is disposed of in an environmentally friendly manner.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the MARLIN TANG SIGHT SCREW SET, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
