

# RIFLE SHORT BULLSEYE REAR SIGHT - MARBLE ARMS RIFLE ADJUSTABLE PEEP SHORT BULLSEYE REAR SIGHT BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

## For Fast Target Acquisition & Improved Accuracy

Barrel-mounted, dovetail Bullseye sight gets you on target fast with perfect alignment for improved accuracy. Steel, double-ring peep design ensures consistent sight alignment and helps improve shooting form. The moment the rear sight is misaligned, the front sight drifts out of the center ring, telling the shooter to re-align. Replaces standard 3/8" dovetail rear sights on many rifles. For use with bead-type or traditional blade front sights. Adjustable models are available with a short or long base and six-position step elevator that's adjustable in .030" increments for precise elevation settings.

## Attributes

- Name: [MARBLE ARMS RIFLE ADJUSTABLE PEEP SHORT BULLSEYE REAR SIGHT BLACK](#)
- Manufacturer: [MARBLE ARMS](#)
- Product no.: 579000163

# Safety Instruction Guide for RIFLE SHORT BULLSEYE REAR SIGHT

## Introduction

Thank you for choosing the RIFLE SHORT BULLSEYE REAR SIGHT by Marble Arms. This product is designed to enhance your shooting experience by providing improved accuracy and alignment. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms and related accessories with care and respect.
- Ensure that the product is installed correctly before use.
- Regularly inspect the rear sight for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Hazard Awareness:

- Misalignment of the sight can lead to inaccurate shooting, which may result in accidents.
- Improper installation may cause the sight to detach during use.

### • Usage Instructions:

- Always ensure that the rifle is unloaded before installing or adjusting the rear sight.
- Use the sight only with compatible front sights (beadtype or traditional blade).
- Do not attempt to modify the sight or use it in ways not specified by the manufacturer.

### • Age Restrictions:

- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing rear sight if applicable.
- Align the Bullseye sight with the 3/8" dovetail on the rifle's barrel.
- Securely mount the sight by sliding it into the dovetail until it is firmly in place.
- Check alignment by looking through the sight and ensuring it is centered.

### 2. Adjustment:

- Adjust the elevation using the sixposition step elevator.
- Make adjustments in increments of .030" for precise elevation settings.
- Ensure that the sight is securely adjusted before taking aim.

### 3. Usage:

- When aiming, ensure that the rear sight is properly aligned with the front sight.
- If the rear sight becomes misaligned, readjust it immediately before firing.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or installation, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions, you can ensure a safer shooting experience with the RIFLE SHORT BULLSEYE REAR SIGHT. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
