

RIFLE LONG BULLSEYE REAR SIGHT - RIFLE ADJUSTABLE PEEP LONG BULLSEYE REAR SIGHT BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Barrel-mounted, dovetail Bullseye sight gets you on target fast with perfect alignment for improved accuracy. Steel, double-ring peep design ensures consistent sight alignment and helps improve shooting form. The moment the rear sight is misaligned, the front sight drifts out of the center ring, telling the shooter to re-align. Replaces standard 3/8" dovetail rear sights on many rifles. For use with bead-type or traditional blade front sights.

Safety Instruction Guide for RIFLE LONG BULLSEYE REAR SIGHT

Introduction

Thank you for choosing the RIFLE LONG BULLSEYE REAR SIGHT. This guide provides essential safety information, installation instructions, and usage tips to ensure your experience is safe and effective. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the rear sight.
- Use the rear sight only with compatible rifles that have a standard 3/8" dovetail.
- Do not modify the sight or the rifle in any way that could compromise safety or performance.
- Keep the sight and all firearm accessories out of reach of children and unauthorized users.
- Always follow local laws and regulations regarding firearm usage and modifications.
- Report any unsafe conditions or accidents involving the product to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the sight is properly aligned before each use to maintain accuracy and safety.
- Do not attempt to adjust the sight while aiming or shooting.
- Be aware of your surroundings and ensure a clear and safe shooting area.
- Use appropriate eye and ear protection while shooting.
- Regularly inspect the sight for any signs of wear or damage before use.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the rifle is unloaded and safe to handle.
2. **Removal of Existing Sight:** If applicable, carefully remove the existing rear sight from the dovetail mount.
3. **Positioning the New Sight:** Align the RIFLE LONG BULLSEYE REAR SIGHT with the 3/8" dovetail slot on the rifle.
4. **Securing the Sight:** Gently press the sight into the dovetail mount until it is securely in place. Ensure it is aligned properly for optimal performance.
5. **Final Check:** Confirm that the sight is stable and does not shift when pressure is applied.

Usage

- **Sight Alignment:** When aiming, ensure the front sight is centered within the peep sight. Adjust your stance or position as necessary to maintain alignment.
- **Adjustment:** If the rear sight becomes misaligned during use, stop shooting and realign the sight before continuing.
- **Maintenance:** Regularly clean the sight with a soft cloth to remove debris and maintain clarity.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the sight in regular household trash. Instead, locate a recycling facility that accepts metal components.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the contact information provided in the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety and responsibility while using the RIFLE LONG BULLSEYE REAR SIGHT. Enjoy your shooting experience!
