

# BROWNING 1885 IMPROVED PEEP LOW HEIGHT POST - MARBLE ARMS BROWNING 1885 TANG IMPROVED PEEP LOW HEIGHT POST BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Gives the single-shot or lever gun shooter the period looks of a traditional, tang-mounted peep sight plus new adjustability features that allow fast changes from short- to long-range settings. Great for the cowboy shooter who wants to use the same gun in cowboy competition and long-range side matches, or as an alternative to vernier-type sights on single-shot rifles used in BPCR and other long-range competitions. Each sight comes with a post that is the correct height to regulate the same as the original factory iron sights. Click adjustable for windage and elevation; each click is approximately  $\frac{1}{4}$ " of adjustment at 100 yards. For larger elevation changes, you can easily swap in a higher or lower post (available separately); choose a lower post for close-in shooting and a taller post for longer ranges. All components are precision CNC machined from 4140 steel, with critical parts heat-treated for extra strength. Fitting chart for Improved Peep Tang Sights

# Safety Instruction Guide for BROWNING 1885 IMPROVED PEEP LOW HEIGHT POST

## Introduction

Thank you for choosing the BROWNING 1885 IMPROVED PEEP LOW HEIGHT POST. This product is designed to enhance your shooting experience with improved accuracy and adjustability. To ensure safe and effective use, please read and follow the safety guidelines and instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this sight.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Wear appropriate eye and ear protection while shooting.
- Store the sight and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the sight and firearm for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not attempt to modify the sight or firearm in any way that is not recommended by the manufacturer.
- Ensure that the sight is properly installed and secured before using the firearm.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Use only the recommended height post for your shooting needs to avoid misalignment.
- Be cautious when making adjustments to the sight; do not force any components.
- If you experience any issues with the sight, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- If necessary, drill and tap the firearm to accommodate the sight installation.
- Attach the sight base securely to the firearm using the provided hardware.
- Select the appropriate height post (Low or Standard) based on your shooting requirements.
- Insert the aperture disc into the sight and secure it in place.
- Use the Allen wrench to tighten all components, ensuring they are secure.

### 2. Usage

- Adjust the windage and elevation settings as needed using the click adjustments.
- Each click corresponds to approximately  $\frac{1}{4}$ " of adjustment at 100 yards.
- For larger elevation changes, swap in a higher or lower post as required.
- Always confirm the sight alignment before shooting.

## Disposal Instructions

- Dispose of the sight and any packaging materials in accordance with local regulations.
- Do not dispose of the sight in regular household waste if it contains hazardous materials.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For further support or inquiries regarding the BROWNING 1885 IMPROVED PEEP LOW HEIGHT POST, please refer to the manufacturer's customer service or your local dealer.

Thank you for ensuring safe practices while using your new sight. Enjoy your shooting experience!
