

WINCHESTER 1876 IMPROVED PEEP STANDARD POST - MARBLE ARMS WINCHESTER 1876 TANG IMPROVED PEEP STANDARD POST BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Gives the single-shot or lever gun shooter the period looks of a traditional, tang-mounted peep sight plus new adjustability features that allow fast changes from short- to long-range settings. Great for the cowboy shooter who wants to use the same gun in cowboy competition and long-range side matches, or as an alternative to vernier-type sights on single-shot rifles used in BPCR and other long-range competitions. Each sight comes with a post that is the correct height to regulate the same as the original factory iron sights. Click adjustable for windage and elevation; each click is approximately $\frac{1}{4}$ " of adjustment at 100 yards. For larger elevation changes, you can easily swap in a higher or lower post (available separately); choose a lower post for close-in shooting and a taller post for longer ranges. All components are precision CNC machined from 4140 steel, with critical parts heat-treated for extra strength. Fitting chart for Improved Peep Tang Sights

Safety Instruction Guide for WINCHESTER 1876 Improved Peep Standard Post

Introduction

Thank you for choosing the WINCHESTER 1876 Improved Peep Standard Post. This guide provides essential safety information, installation instructions, and usage tips to ensure safe and effective operation of your sight. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the sight is compatible with your firearm before installation.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the sight and all firearm-related products out of reach of children.
- Regularly inspect the sight for any signs of damage or wear.
- If you notice any issues, do not use the sight until it has been inspected or repaired by a qualified professional.
- Follow all local laws and regulations regarding firearm modifications and use.

Specific Safety Precautions for Use

- Use only as intended: The Improved Peep Tang Sight is designed for use with the Winchester 1876 model. Do not attempt to use it with other firearms.
- Avoid using the sight in adverse weather conditions that may impair visibility or affect performance.
- When adjusting the sight, do so while the firearm is pointed in a safe direction and the action is open.
- Do not exceed the recommended torque specifications when installing the sight to avoid damaging the sight or firearm.
- Always wear appropriate safety gear, including eye protection, when using firearms.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and in a safe condition.
2. **Drilling and Tapping:** For older guns, drilling and tapping may be required. Consult a professional gunsmith if you are unsure.
3. **Attach the Base:** Secure the base of the sight to the firearm using the provided screws. Ensure it is tightened to the manufacturer's specifications.
4. **Install Height Post:** Depending on your preference, install either the Low (L) or Standard (S) height post into the base.
5. **Attach Aperture Disc:** Insert the ½" O.D. aperture disc with .055" peep into the sight.
6. **Final Checks:** Ensure all components are securely attached and check for any movement or looseness.

Usage

- Align the sight with your target before taking a shot.
- Adjust the sight as needed for windage and elevation to improve accuracy.
- Practice regularly to become familiar with the sight's adjustments and performance.

Disposal Instructions

- Dispose of the sight and any packaging materials in accordance with local regulations.
- Do not dispose of the sight in regular household waste if it contains hazardous materials.

- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the WINCHESTER 1876 Improved Peep Standard Post, please refer to the manufacturer's resources or consult a licensed firearms dealer or gunsmith.

Thank you for your attention to these safety instructions. Your safety and enjoyment while using the WINCHESTER 1876 Improved Peep Standard Post is our priority.
