

# MARLIN 336 REAR SIGHT - MARBLE ARMS MARLIN 336 TANG SIGHT REAR SIGHT BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Adds a touch of authenticity to pump and lever action rifles, whether they're used for hunting or Cowboy Action Shooting. Provides better sight definition and faster target acquisition in the field or on the range. Locates the aperture closer to the eye for a clear sight picture; longer sight radius increases accuracy. All steel construction with micrometer adjustments for windage and elevation. Folds to the rear for storage. Mounting screw set must be purchased separately. # MARLIN 336 REAR SIGHT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MARLIN 336 Rear Sight from Marble Arms. This product is designed to enhance the performance of your leveraction rifle, providing improved sight definition and faster target acquisition. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always treat your firearm and its components with respect and caution.
- Ensure that the firearm is unloaded before installing or adjusting the rear sight.
- Use this product only with compatible firearms as specified in the product specifications.
- Regularly inspect the rear sight for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Store the sight in a safe place when not in use to prevent unauthorized access.

## Specific Safety Precautions for Use

- **Hazard Identification:** Improper installation or use may lead to inaccurate shooting or damage to the firearm.
- **Avoid Eye Injury:** Always ensure that the sight is securely mounted to prevent detachment during use.
- **Use Appropriate Ammunition:** Ensure that your firearm is loaded with suitable ammunition to avoid malfunctions.
- **Age Restrictions:** This product is intended for use by individuals of legal age to own and operate firearms. Ensure that minors are supervised by a responsible adult when handling firearms.
- **Environmental Considerations:** Avoid using the firearm in wet or damp conditions to prevent rust and damage to the sight.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools, including a screwdriver and the appropriate mounting screw set (sold separately).
2. **Prepare the Firearm:** Make sure the firearm is unloaded and pointed in a safe direction.
3. **Remove Existing Sight:** If applicable, carefully remove the existing rear sight from your firearm.
4. **Align the New Sight:** Position the MARLIN 336 Rear Sight in the correct mounting location.
5. **Secure the Sight:** Use the mounting screw set to fasten the sight securely. Ensure it is tightened adequately to prevent movement.
6. **Adjust for Accuracy:** Use the micrometer adjustments for windage and elevation to achieve the desired sight alignment.
7. **Test the Installation:** Before heading to the range, visually inspect the sight to ensure it is securely mounted.

### Usage Instructions

- **Aperture Selection:** Choose the appropriate aperture size for your shooting conditions. The rear sight includes two  $\frac{1}{2}$ " diameter apertures (.055" and .102") and one  $\frac{3}{4}$ " diameter aperture with a .032" hole.
- **Folding Mechanism:** The sight can be folded to the rear for storage. Ensure it is fully secured when not in use.
- **Sight Picture:** Position your eye behind the aperture while aiming to achieve a clear sight picture.
- **Practice:** Familiarize yourself with the sight at a controlled range setting before using it in the field.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the sight is damaged beyond use, consider recycling metal components where possible.
- Do not dispose of the sight in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the MARLIN 336 Rear Sight, please refer to the manufacturer's website or contact the retailer from which you purchased the product.

By following these safety instructions, you can ensure a safe and enjoyable experience while using your MARLIN 336 Rear Sight. Always prioritize safety and responsibility when handling firearms and their accessories. Thank you for your attention to these guidelines.
