# Safety Instruction Guide for RIFLE FIBER OPTIC GLOW 41W FRONT SIGHT MARBLE ARMS

## Introduction

Thank you for choosing the RIFLE FIBER OPTIC GLOW 41W FRONT SIGHT by Marble Arms. This product is designed to enhance your shooting experience by providing precision sighting. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and treat every firearm as if it is loaded.
- Ensure that the rifle is pointed in a safe direction at all times.
- Store the sight and your firearm securely to prevent unauthorized access, especially by children.
- Always wear appropriate eye and ear protection when using firearms.
- Familiarize yourself with local laws and regulations regarding the use of firearms and accessories.
- Regularly inspect the sight for any signs of wear or damage before use.

## Specific Safety Precautions for Use

- Ensure that the sight is installed correctly and securely on your rifle before use.
- Do not use the sight if it is damaged or if the fiber optic rod is broken.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming.
- Avoid using the sight in lowlight conditions where visibility may be compromised.
- Do not attempt to modify or alter the sight in any way, as this may compromise its safety and effectiveness.

## Instructions for Installation and Usage

### 1. Selecting the Right Sight Height and Style:

- Refer to the Marbles and/or Williams charts to determine the required sight height.
- Identify the Sight Style, Bead Type, and Width needed based on your rifle specifications.

### 2. Installation Steps:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing front sight if applicable.
- Align the new sight with the ramp mounted base. The base should be .340 inches wide.
- Secure the sight in place according to the manufacturer's instructions.
- Doublecheck that the sight is firmly attached and properly aligned.

### 3. Using the Sight:

- Position yourself in a stable shooting stance.
- Look through the sight and align the fiber optic glow with your target.
- Adjust your aim as necessary, taking into account windage and elevation.
- When ready, proceed with shooting, ensuring that the area is clear of people and obstacles.

## Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding electronic and metal waste.
- If the sight is damaged and cannot be repaired, please ensure it is disposed of safely to prevent

- environmental harm.
- Consider recycling materials where possible.

## Contact Information for Further Support

For any inquiries regarding the safety or performance of the RIFLE FIBER OPTIC GLOW 41W FRONT SIGHT, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your RIFLE FIBER OPTIC GLOW 41W FRONT SIGHT. Always prioritize safety and responsible firearm handling.
