# Safety Instruction Guide for RIFLE FIBER OPTIC GLOW 45W FRONT SIGHT

## Introduction

Thank you for choosing the RIFLE FIBER OPTIC GLOW 45W FRONT SIGHT from MARBLE ARMS. This guide provides essential safety instructions and guidelines to ensure safe usage and installation of your new sight. Please read this document carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installation or maintenance.
- Keep the sight and all firearm accessories out of reach of children.
- Use the sight only for its intended purpose, which is for enhancing aiming accuracy on rifles.
- Regularly inspect the sight for any damage or wear. If any issues are found, discontinue use and seek a replacement.
- Follow all local laws and regulations concerning the use of firearms and accessories.

## Specific Safety Precautions for Use

- Do not attempt to modify the sight or use it in a manner not specified by the manufacturer.
- Be aware of your surroundings when using the sight. Always ensure that you have a clear line of sight and that there are no obstructions.
- Avoid using the sight in adverse weather conditions that could impair visibility or safety.
- Always wear appropriate eye protection when using firearms equipped with this sight.
- Ensure that the sight is securely mounted before using the firearm.

## Instructions for Installation and Usage

### 1. Selecting the Right Height:

- Use the Marbles and/or Williams charts to determine the required sight height.
- Identify the sight style, bead type, and width needed based on your rifle specifications.

### 2. Mounting the Sight:

- Ensure that the firearm is unloaded.
- Locate the mounting area on your rifle.
- Align the sight with the rampmounted base (.340 wide) and secure it using the appropriate screws or mounting hardware.
- Check that the sight is firmly in place and does not move.

### 3. Adjusting the Sight:

- If necessary, adjust the sight for windage and elevation according to your shooting preferences.
- Confirm that the adjustments are secure after making changes.

### 4. Using the Sight:

- When ready to shoot, ensure that you are in a safe position and that the firearm is pointed in a safe direction.
- Use the fiber optic glow feature (available in orange or green) to enhance visibility in various lighting conditions.

## 5. **PostUse Inspection:**

- After use, inspect the sight for any signs of damage or wear.
- Clean the sight with a soft cloth to remove any debris or residue.

## **Disposal Instructions**

- Dispose of the sight and any packaging materials in accordance with local regulations.
- If the sight is damaged beyond repair, consider recycling materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries regarding the safety or usage of the RIFLE FIBER OPTIC GLOW 45W FRONT SIGHT, please refer to the manufacturer's contact resources. Ensure you have your product information ready for assistance.

By following these guidelines and instructions, you can ensure the safe and effective use of your RIFLE FIBER OPTIC GLOW 45W FRONT SIGHT. Always prioritize safety and responsibility when handling firearms and their accessories.
