

# MID-RIB SHOTGUN BEAD - MARBLE ARMS #223 IVORY MID-RIB SIGHT

[Shotgun Parts](#) > [Sights](#) > [Rear Sights](#)

## Installs Easily, Ensures Perfect Sight Alignment

Tapered, ivory-color mid-rib bead helps prevent canting the gun or aiming over the top of the front bead. Stake-on design installs easily at center of barrel or 12" to 16" from muzzle. Drill a #45 hole, follow with #226 Bead Sight Reamer, and press-fit in place.

# **MIDRIB SHOTGUN BEAD MARBLE ARMS #223 IVORY MIDRIB SIGHT Safety Instruction Guide**

## **Introduction**

Thank you for choosing the MIDRIB SHOTGUN BEAD from Marble Arms. This guide provides essential safety information to ensure the proper use and installation of your sight. Please read this document carefully before use to ensure your safety and the safety of others.

## **General Safety Guidelines**

- Always handle firearms with care and respect, following all local laws and regulations.
- Ensure that the firearm is unloaded before installing or adjusting the sight.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage.
- If you suspect any issues with the sight or firearm, consult a qualified gunsmith.

## **Specific Safety Precautions for Use**

- The sight is designed for use with Universal Shotguns. Ensure compatibility before installation.
- Use only the recommended drill size (#45 hole) for installation to avoid damaging the barrel.
- Follow the installation instructions carefully to prevent improper fitting, which could lead to dangerous situations.
- Do not modify the sight or firearm in any way that is not recommended by the manufacturer.
- If you experience any difficulty during installation or use, stop immediately and seek assistance.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: drill, #45 drill bit, #226 Bead Sight Reamer, and pressfit tools.

### **2. Installation**

- Identify the installation location on the barrel, either at the center or 12" to 16" from the muzzle.
- Carefully drill a #45 hole at the chosen location.
- Use the #226 Bead Sight Reamer to prepare the hole for the sight.
- Insert the sight into the prepared hole and pressfit it in place securely.

### **3. Usage**

- Once installed, familiarize yourself with the sight and practice aiming in a safe environment.
- Regularly check the sight for stability and alignment before each use.

## **Disposal Instructions**

- Dispose of the sight and any associated materials in accordance with local regulations.
- Do not dispose of the sight in regular household waste. Check for local recycling or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries about safety or installation, please reach out to your local Marble Arms representative or authorized dealer.

Thank you for your attention to safety. Your responsible use of the MIDRIB SHOTGUN BEAD contributes to a safer shooting experience for everyone.
