Safety Instruction Guide for #226 Bead Sight Reamer

Introduction

Thank you for purchasing the #226 Bead Sight Reamer from Marble Arms. This tool is designed to taper and deburr holes for the Marble #223 MidRib Shotgun Bead. To ensure safe and effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the product as intended and in accordance with these instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the tool for any damage or wear before each use. Do not use if damaged.
- Store the tool in a dry place, away from direct sunlight and extreme temperatures.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for updates on product recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety goggles and gloves, to protect against debris and sharp edges.
- **Work Area:** Ensure your work area is clean, welllit, and free of distractions.
- **Tool Handling:** Handle the reamer with care. Avoid using excessive force when operating the tool.
- **Drilling Surface:** Ensure that the surface you are drilling into is stable and secure to prevent slipping.
- **Avoid Contact:** Keep hands and other body parts away from the drill bit and reamer during operation.
- **Supervision:** If children or inexperienced individuals are present, ensure they are supervised at all times.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure the shotgun is unloaded and safe to work on.

2. Drilling the Hole:

- Use a drill to create a hole for the Marble #223 MidRib Shotgun Bead. Ensure the hole is of the correct size for the reamer.

3. Using the Bead Sight Reamer:

- Insert the reamer into the drilled hole.
- Apply gentle pressure and turn the reamer to taper and deburr the edges of the hole. Avoid forcing the reamer.
- Withdraw the reamer periodically to clear any debris.

4. Final Inspection:

- After use, inspect the hole to ensure it is smooth and properly tapered.
- Clean the reamer with a soft cloth to remove any debris.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- If the product is no longer usable, consider recycling where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the #226 Bead Sight Reamer, please refer to the contact information provided by the retailer or manufacturer. Ensure you have the product details ready when reaching out for assistance.

By following these guidelines, you can safely and effectively use the #226 Bead Sight Reamer. Thank you for choosing Marble Arms.
