RIFLE FIBER OPTIC GLOW 37MR FRONT SIGHT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the RIFLE FIBER OPTIC GLOW 37MR FRONT SIGHT by Marble Arms. This product is designed for precision shooting and is made with highquality materials to ensure reliable performance. However, it is essential to follow safety guidelines to ensure safe usage and to prevent any accidents or injuries.

General Safety Guidelines

- Always treat firearms with respect and follow all local laws and regulations regarding their use.
- Ensure that the sight is compatible with your specific rifle model before installation.
- Regularly inspect the sight for any signs of damage or wear. Do not use if damaged.
- Keep the sight and all firearm components out of reach of children and unauthorized users.
- Use the sight only for its intended purpose and follow all manufacturer instructions.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the sight.
- Avoid looking directly into the optic rod when it is illuminated, as it may cause temporary visual disturbances.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use eye protection while shooting to protect against potential debris or ricochets.
- If using the sight in low light conditions, ensure that it is properly illuminated to avoid misalignment.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools for installation, including a screwdriver and any specific tools required for your rifle model.
- Ensure that the rifle is unloaded and in a safe position.

2. Installation:

- Locate the mounting area on your rifle where the sight will be installed.
- Align the sight with the mounting holes, ensuring it is positioned correctly for optimal visibility.
- Secure the sight using the appropriate screws or fasteners, ensuring it is tightly fitted but not overtightened to avoid damage.

3. Adjustment:

- After installation, adjust the sight to ensure proper alignment with your shooting target.
- Use the adjustment screws to finetune the sight's position as needed.

4. Usage:

- When ready to shoot, ensure that the sight is properly illuminated in your chosen color (Orange or Green).
- Aim carefully and follow standard shooting practices to ensure accuracy and safety.

Disposal Instructions

- Dispose of the sight and any packaging materials in accordance with local regulations.
- Do not dispose of in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the RIFLE FIBER OPTIC GLOW 37MR FRONT SIGHT, please refer to the manufacturer's website or contact your local retailer for assistance.
