# Safety Instruction Guide for RIFLE FIBER OPTIC GLOW 37MR FRONT SIGHT

## Introduction

Thank you for choosing the RIFLE FIBER OPTIC GLOW 37MR FRONT SIGHT by Marble Arms. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your new sight. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the sight is installed correctly to avoid any accidents.
- Regularly inspect the sight for damage or wear before use.
- Keep the sight and all firearm components out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check the EU's Safety Gate platform for any recall updates regarding this product.

## Specific Safety Precautions for Use

- Use only on compatible universal rifles as specified.
- Avoid using the sight in extreme weather conditions that may affect its performance.
- Do not modify the sight in any way; alterations may compromise safety.
- Ensure that the sight is securely mounted before using the firearm.
- Always wear appropriate eye protection when using firearms equipped with this sight.

## Instructions for Installation and Usage

### 1. Select the Correct Sight Height

- Refer to the Marbles and/or Williams charts to determine the required sight height.
- Identify the appropriate Sight Style, Bead Type, and Width needed.

### 2. Find the Correct Ordering Number

- For example, if a Contoured Ramp Front Sight is needed, check the Height listing to find the desired figure.
- Read across on the "MR" line to identify bead type and note the 9digit Ordering No. (e.g., 579502911).

### 3. Installation Steps

- Ensure the firearm is unloaded before beginning installation.
- Remove any existing sight if applicable.
- Align the new sight with the mounting base, ensuring it fits securely.
- Tighten the sight using the provided screws or tools, ensuring it is firmly in place.

### 4. Usage Instructions

- Once installed, check the alignment of the sight with the rifle barrel.
- Adjust the sight as necessary for optimal accuracy.
- Regularly clean the sight to maintain visibility and performance.

## **Disposal Instructions**

- When disposing of the sight, follow local regulations regarding electronic and metal waste.
- Ensure that the sight is disposed of in an environmentally friendly manner.
- Do not throw the sight in regular household waste; check for designated recycling centers.
