Safety Instruction Guide for RIFLE FIBER OPTIC GLOW 50MR FRONT SIGHT

Introduction

Thank you for choosing the RIFLE FIBER OPTIC GLOW 50MR FRONT SIGHT by Marble Arms. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new front sight. Please read this guide carefully before using the product to minimize risks and ensure optimal performance.

General Safety Guidelines

- Ensure that all products are used in accordance with the manufacturer's instructions.
- Always treat firearms with respect and handle them safely.
- Be aware of your surroundings when using firearms equipped with this sight.
- Regularly inspect your sight for any signs of wear or damage before each use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.
- If you have any concerns about the product, consult a qualified professional.

Specific Safety Precautions for Use

- Only use the sight on compatible rifles. Ensure that your rifle is suitable for this front sight.
- Do not attempt to modify the sight in any way. Alterations may compromise safety and performance.
- Avoid using the sight in extreme weather conditions that may affect visibility, such as heavy rain or fog.
- Ensure that the sight is securely attached to your rifle before use to prevent accidents.
- Always wear appropriate eye protection when shooting.
- Be aware of the potential for glare or reflections from the fiber optic material in bright sunlight.

Instructions for Installation and Usage

• Installation:

1. Ensure your rifle is unloaded and pointed in a safe direction before beginning installation.
2. Remove any existing front sight if applicable, following the manufacturer's instructions.
3. Align the RIFLE FIBER OPTIC GLOW 50MR FRONT SIGHT with the mounting base on your rifle.
4. Securely fasten the sight using the provided screws or mounting hardware, ensuring it is tightened to avoid movement during use.
5. Check the alignment of the sight with the rifle's barrel to ensure accuracy.

• Usage:

1. Once installed, ensure the sight is clean and free of obstructions before use.
2. Position your rifle properly and ensure a stable shooting stance.
3. Look through the sight and align it with your target. The fiber optic glow should provide a clear sight picture.
4. Fire the rifle only when you are confident of your target and what lies beyond it.
5. After use, clean the sight and rifle according to the manufacturer's guidelines to maintain performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and firearm accessory disposal.
- Do not throw the product in regular household waste.
- If the product is damaged or no longer usable, contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please consult the manufacturer's website or customer support resources. Always ensure that you have the latest information and guidance regarding your product.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your shooting experience with the RIFLE FIBER OPTIC GLOW 50MR FRONT SIGHT.
