

# SEMI-AUTO SIGHT MOVER - MGW BERETTA 92 SIGHT MOVER

[Gunsmith Tools](#) > [Sight & Scope Installation Tools](#) > [Sight Movers](#)

## Adjusts, Removes & Installs Sights Without Damage

Safely moves fixed sights right or left in their dovetails without deforming slide or sight. Specifically designed for use with factory and aftermarket Tritium night sights, which are too fragile for the traditional hammer-and-punch sight installation method; works equally well with iron sights. Thumbscrew securely locks the slide so it's fully supported in the rigid, machined aluminum body. Separate slots in the screw mechanism engage the sight and firmly, yet gently, concentrate screw force to loosen sights from even extremely tight dovetails. Hardened steel handle provides plenty of leverage, while self-lubricating, oil-impregnated Oilite® bronze bearings and extra-fine threads ensure smooth, precise movement. Beretta/Glock fit rear sights only. Glock Flat-Side fits aftermarket rear sights with straight, non-sloped sides for standard- and large-frame Glock pistols. SIG fits rear sights on all SIGs except SIG-PRO. 1911 will not work with most Kimber slide/sight combinations. Only works on rear sights. Not for installing or adjusting front sights.

## Attributes

- Name: [MGW BERETTA 92 SIGHT MOVER](#)
- Manufacturer: [MGW](#)
- Product no.: 584045092
- Mfr. No.: MGW308

# Safety Instruction Guide for SEMIAUTO SIGHT MOVER MGW BERETTA 92 SIGHT MOVER

## Introduction

Thank you for choosing the SEMIAUTO SIGHT MOVER MGW BERETTA 92 SIGHT MOVER. This product is designed to assist in the safe and effective adjustment of fixed sights on firearms. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this manual.

## General Safety Guidelines

- Always use the sight mover in a safe, controlled environment.
- Ensure the firearm is unloaded and pointed in a safe direction before use.
- Keep the sight mover out of reach of children and unauthorized users.
- Inspect the sight mover for any damage before each use.
- Use only as intended; do not modify the sight mover.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including eye protection, when using the sight mover.
- Ensure that the firearm is securely positioned in the sight mover before attempting to adjust sights.
- Do not apply excessive force when moving or adjusting sights to avoid damaging the sight or firearm.
- Only use the sight mover with compatible sights as specified in the product description.
- Avoid contact with moving parts during operation to prevent injury.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded.
- Place the firearm on a stable surface.
- Confirm that the sight mover is clean and free from debris.

### 2. Setting Up the Sight Mover

- Position the sight mover over the rear sight of the firearm.
- Securely lock the slide using the thumbscrew to ensure stability.

### 3. Adjusting the Sights

- Use the screw mechanism to engage the sight.
- Gently apply pressure to loosen the sight from the dovetail.
- Once loosened, carefully adjust or remove the sight as needed.

### 4. Finalizing Adjustments

- After making the necessary adjustments, ensure that the sight is securely fastened.
- Remove the sight mover and inspect the sight for proper alignment.
- Store the sight mover in a safe place when not in use.

## **Disposal Instructions**

- Dispose of the sight mover in accordance with local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in a manner that prevents any potential hazards.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please contact the manufacturer directly. Ensure that you have the product details available for reference.

By following these guidelines, you can ensure a safe and effective experience with your SEMIAUTO SIGHT MOVER MGW BERETTA 92 SIGHT MOVER. Thank you for your attention to safety and proper usage.
