# Safety Instruction Guide for 1911 Barrel Bushing MGW DropIn Barrel Bushing, S/S

## Introduction

Thank you for choosing the 1911 Barrel Bushing MGW DropIn Barrel Bushing, Stainless Steel. This product is designed for use in 1911 Autos, providing a reliable and easy installation experience. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** This product is designed to meet safety standards and ensure the safe use of nonfood items. Always follow the provided guidelines to mitigate risks.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Ensure you stay updated on any potential recalls.
- **Online Shopping:** If purchased online, you are entitled to the same safety protections as those who shop in physical stores. Ensure that the online platform adheres to safety requirements.
- **Special Consumer Focus:** Extra care should be taken if the product is used by vulnerable groups, such as children. Always supervise use in such cases.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate system, which provides quick updates.

## Specific Safety Precautions for Use

- **Installation Precautions:** Ensure the firearm is unloaded before beginning installation. Always follow the manufacturer's instructions for installation.
- **Fitting Precautions:** If you are using the oversize model, ensure that it is fitted correctly to match the barrel to avoid any operational issues.
- **Handling Precautions:** Use gloves when handling the barrel bushing to avoid fingerprints and ensure a secure grip.
- **Storage Precautions:** Store the barrel bushing in a cool, dry place away from direct sunlight and moisture to prevent corrosion.
- **Disposal Precautions:** Follow local regulations for disposal of metal components. Do not dispose of in regular waste.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and welllit.
- Gather all necessary tools and materials, including gloves, if desired.

### 2. Installation Steps:

- Make sure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel bushing from the firearm according to the manufacturer's instructions.
- Take the MGW DropIn Barrel Bushing and check for any visible defects before use.
- Insert the new barrel bushing into the slide of the firearm. It should fit snugly without excessive force.
- If using the oversize model, you may need to fit it to match the barrel precisely. Use appropriate tools for this process.

- Once installed, ensure that the barrel is properly seated and that the firearm operates smoothly.

### **3. Usage:**

- After installation, perform a function check to ensure the firearm operates correctly.
- Regularly inspect the barrel bushing for wear and tear, especially after extensive use.
- If you notice any issues, consult a qualified gunsmith for further evaluation.

## **Disposal Instructions**

- When disposing of the barrel bushing, check with local regulations regarding metal disposal.
- Ensure that no sharp edges are exposed during disposal to prevent injury.
- Consider recycling the metal components if possible, following local guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation or use of the 1911 Barrel Bushing MGW DropIn Barrel Bushing, please refer to the manufacturer's contact details provided with your product packaging.
