# Safety Instructions for SINGLE STARTING PUNCHES MAYHEW STEEL 3/32" STARTING PUNCH

## Introduction

Thank you for choosing the SINGLE STARTING PUNCHES MAYHEW STEEL 3/32" STARTING PUNCH. This tool is designed to assist you in breaking loose stuck or tight pins while ensuring the protection of both the pin punch and your firearm. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the starting punch as intended to avoid injury or damage to the tool.
- Ensure that the working area is clean, dry, and free from any obstructions before use.
- Keep the starting punch out of reach of children and pets.
- Regularly inspect the tool for any signs of wear or damage before each use.
- If the tool is damaged, discontinue use and replace it.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the starting punch.
- Ensure that the starting punch is securely positioned on the pin before striking it with a hammer.
- Use a hammer that is appropriate for the size and weight of the starting punch to avoid accidents.
- Do not apply excessive force when using the starting punch; this may cause damage to the tool or injury.
- Never use the starting punch for purposes other than its intended use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that you have a stable surface to work on.

### 2. Using the Starting Punch:

- Position the starting punch tip against the pin you wish to remove.
- Hold the punch firmly with one hand while using the other hand to strike the back of the punch with a hammer.
- Apply controlled strikes to avoid excessive force.

### 3. PostUse Care:

- Clean the starting punch after use to remove any debris or residue.
- Store the punch in a safe location, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of the starting punch in accordance with local regulations.
- If the tool is no longer usable, consider recycling the metal components where facilities are available.

## Contact Information for Further Support

For safety inquiries or further assistance, please refer to the contact information provided with the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience while using the SINGLE STARTING PUNCHES MAYHEW STEEL 3/32" STARTING PUNCH. Always prioritize safety and adhere to the guidelines provided in this manual.
