# Safety Instruction Guide for SINGLE STARTING PUNCHES MAYHEW STEEL 1/8" STARTING PUNCH

## Introduction

Thank you for choosing the SINGLE STARTING PUNCHES MAYHEW STEEL 1/8" STARTING PUNCH. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this document carefully before using the tool.

## General Safety Guidelines

- Always ensure that the work area is clean and welllit to avoid accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves to protect yourself during use.
- Keep the tool out of reach of children and unauthorized users.
- Do not use the tool for purposes other than those intended.
- Regularly inspect the tool for any signs of damage or wear before each use.
- Follow all relevant local regulations regarding tool usage and safety.

## Specific Safety Precautions for Use

- Ensure the starting punch is properly aligned with the pin before striking.
- Use a hammer or mallet that is appropriate for the size of the starting punch.
- Avoid using excessive force; if the pin does not move, reassess the situation rather than forcing it.
- Do not strike the punch with a metal object that could cause it to shatter or break.
- Always stand to the side when striking the punch to avoid injury from flying debris.
- Do not use the punch if it shows signs of significant wear or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before beginning your work.
- Ensure the workspace is clear of any unnecessary items.

### 2. Using the Starting Punch:

- Hold the starting punch by the knurled body for a secure grip.
- Position the punch on the pin that needs to be loosened.
- With the other hand, hold the hammer or mallet.
- Strike the end of the punch lightly to start; increase force as needed.
- If the pin does not move after a few strikes, stop and reassess the situation.

### 3. PostUse Care:

- Clean the punch after use to remove any debris or residue.
- Store the punch in a safe place, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of the starting punch responsibly according to local regulations.
- If the tool is damaged beyond repair, consider recycling the metal components if possible.
- Do not dispose of the punch in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the SINGLE STARTING PUNCHES MAYHEW STEEL 1/8" STARTING PUNCH, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure safe and effective use of the SINGLE STARTING PUNCHES MAYHEW STEEL 1/8" STARTING PUNCH. Thank you for prioritizing safety!
